Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. Recycle those cardboard boxes the

fun way and bring your kids' imaginations to life with Cardboard Creations. From a kitchen to a shop, a nursery to a greenhouse, Cardboard Creations offers instructions, tips and tricks on how to build everything in day to day life from a cardboard box. Cardboard is everywhere! For creative kids aged 9 to 14, it's the perfect eco-friendly building material, and Cardboard Box Engineering is the perfect guide to get them started on inventive tinkering. A working kaleidoscope, a marble roller coaster, a robotic hand, and a wind-powered tractor with cardboard gears are just some of the ingenious projects developed by Jonathan Adolph, author of the best-selling *Mason Jar Science*. Working with simple household tools, kids can follow the step-by-step photographic instructions to exercise their design smarts, expand their 3-D thinking, and learn the basics of physics and engineering with activities that have real-life applications. How many times have you spent money on some fancy new toy for your child, only to have her ignore the toy and instead crawl into the large box it came in? Whether you're on a budget or just refuse to pay high prices for noisy, plastic toys, *Box!* offers parents do-it-yourself, environmentally friendly crafts that can be made with cereal boxes, packing boxes, toilet paper rolls, and egg cartons. Filled with easy to make cardboard box craft ideas complete with supply lists, four-color photos, tips, and templates, *Box!* supplies parents with projects that will keep their children entertained for hours, such as: making "little people" with toilet paper rolls; creating a pirate ship out of a milk carton; fashioning a telescope using a paper towel

tube; assembling planes, trains, and automobiles from cracker boxes, pasta boxes, or toothpaste boxes; and even constructing a child-sized desk out of three large boxes. This book is the perfect way to make fun, inexpensive, sustainable toys for your little one. With this fantastic earth-friendly book, kids get two unforgettable stories at the same time—one about polar bears and one about recycling! Fun facts, quirky illustrations, and cute photographs take kids into the exciting world of the polar bear in this informative and earth-friendly book. Kids will learn everything from how polar bears hunt and how wide their paws are to where they live and what they eat in this unique look at one of the world's most beloved endangered species. Also, a side panel on each page tells the story of how this book was made from the recycled paper of a cardboard box, teaching children the process of recycling and showing them what they can do to save the planet—and the polar bears! Going green has never been a bigger issue, and with this book—made of recycled material—kids get to help save the planet and the polar bears by putting into practice what they've just learned!

MELANIE'S CHOICE Surviving her rape and near murder, Melanie Morrison stumbles into a world torn apart by a tornado that kills her rapist and devastates her hometown of Sainte Lillian's Missouri. Ultimately, Melanie is forced to make decisions that will affect not only her life, but also the lives her family and friends as well. **MELANIE'S CHOICE** is a story that pits hate against love and proves forever which is the strongest. Walk with Melanie. Share her pain, her sorrow, her laughter.

and her joy. **KIDS IN A CARDBOARD BOX** On a cold October evening, four emaciated children are found huddled together in a large cardboard box. Their past and their future unfolds in a true to life story that pinpoints horrors faced by neglected children. Age : 6-7 years old Reading Level : 1st Grade

The Fun Street Friends cannot play outside because of the weather, but with a bit of imagination, playing inside turns out to be just as fun! Discover the thrilling adventures of Sam, Sadie and their 3 pet friends: Jazz the Bunny, Carly the cat and Tim the tortoise. This happy bunch goes through all kind of imaginary and fantastic escapades that will please and amuse children of all ages.

EXCERPT The Fun Street Friends peered miserably through the curtains. The rain splashed against the window and the wind whistled through the trees. It was freezing cold, and the sun was hidden by fluffy grey clouds. The footpath was icy and there were puddles all over the garden. Jazz, Carly and Tim shivered at the thought of playing outside. "Oh dear!" said Sadie, sadly. "This isn't quite what we had planned." "Too right!" grumbled Sam. "You can say that again!"

In The Fun Street Friends series:

- The Fun Street Friends at the Very Beginning!
- The Fun Street Friends and the Camping Trip
- The Fun Street Friends and the Cardboard Box
- The Fun Street Friends and the Perfect Pet Competition

Retells in graphic novel format Sir Arthur Conan Doyle's beloved stories for a new generation of Sherlock Holmes fans.

Simultaneous. In order to be able to think creatively, children have to be encouraged to use their imaginations

and play autonomously. When setting up open-ended learning opportunities that stimulate children to investigate possibilities practitioners need easily accessible, cost effective resources. The rationale behind using cardboard boxes is the simple fact that they are cheap and open-ended, meaning they can be easily sourced and simply transformed by both adults and children. A cardboard box is a resource that when left alone, does nothing in particular but comes to life in the hands of children, requiring them to use their imagination or to build on their past experiences. Boxes as open-ended materials greatly enhance the play experience, as they require children to bring their thoughts into the play experience in a deeper way. 5-Star review received from Readers' Favorite <https://readersfavorite.com/book-review/cardboard-box-dreams>

Awards Book category winner of the Creative Play Award 2017 When a package containing two human ears arrives on the desk of Inspector Lestrade, he brings Sherlock Holmes on the case. Will Holmes and his partner, Dr. John Watson, uncover the gruesome details of murder and revenge? Graphic Planet is an imprint of Magic Wagon, a division of ABDO Group. Grades 3-8. Nothing beats the joy a cardboard box can bring on a rainy day. Want to fly a plane? Get a cardboard box. Want to go to space? Cardboard box. Want to build a castle and hold a jousting tournament? That's right—you need a cardboard box! Cardboard Creations is bursting full of ideas for how to turn that magical cardboard box into so many exciting playthings. In Vehicles, you can build a car to race in or a rocket ship to fly to space in using the simple instructions and full color photos. Like the humble cardboard box, this book will stretch as far as your imagination will allow. What will you build? Provides instructions, tips, and patterns for making games, toys, and other objects out of cardboard boxes. "Simple step-by-step instructions teach readers how to make original projects from duct tape, paper, cardboard, and recyclable materials"-- This book is dedicated to my son Aidan and all the beautiful and brilliant babies out there who prefer to play with a cardboard box instead of their toys. As a mom, I was compelled to write this story as I think it relates to so many moms and dads out there experiencing the joys that their little ones have playing with something as simple as a box. Let's continue to encourage more play like this and allow our little ones to have a ball

and play their little hearts out. This box has given me plenty of time to get a lot done around the house, because it keeps my son quite busy running around and when bedtime comes, he is ready for bed! If you give a child a box, who can tell what will happen next? It may become a library or boat. It could set the scene for a fairy tale or a wild expedition. The most wonderful thing is its seemingly endless capacity for magical adventure, a feature imaginatively captured in cardboardesque art and rhythmically celebrated in this poetic tribute. This board book edition of the popular 2016 picture book of the same name takes the literal shape of a box to bring an imaginative concept to life. Who is the girl? A young girl lies huddled in a cardboard box, shrinking away from the social workers who have come to rescue her from a homeless camp. She doesn't speak and affection seems alien to her as she has no apparent ties to anyone. Placed in the affluent home of Hayley and Jason Montgomery, the girl begins to heal and flourish. Will this little girl be the one to help Hayley work through the horror of seeing her own daughter die due to a hit and run? Believing her daughter's death is God's punishment for a past abortion, Hayley is determined to mother this nameless child to appease what she believes is an angry God. Haunted by the secret he's kept for over a year, Jason finds his control slipping when the girl comes to live with him and Hayley. When his secret is exposed, it threatens to destroy everything Jason and Hayley believe about their marriage, themselves, and God. Have you ever wondered what happens to a cardboard box

when you no longer need it? This lovely bedtime story helps children understand how and why we should recycle our cardboard. Ingenious things to make and do with old cardboard boxes and packaging. Discover brilliant new uses for all sorts of cardboard boxes with this inspiring collection of things to make and do. Build your own mini village, turn tissue boxes into monsters and roll up chunky beads from bold and bright packaging. Put bridges and ramps to the test, investigate how you can make an empty box strong enough for you to sit on and see what happens when you roll a marble in the lid of shoebox with some paint. And if you follow the simple step-by-step instructions any big cereal box can become an amazing 3D model of the solar system. Do you know what co-dependency is? Are you in or do you know someone who is in a dysfunctional relationship? Are you repeating the cycle of your own childhood? Were you raised in a abusive or alcoholic home? Do you feel stuck in your current situation? Do you feel you have no where to go? Do you feel alone? Are you constantly looking for "someone" to complete you? Are you have you been or do you know of someone who has been physically, emotionally or sexually abused? Are you an addict? If you answered "yes" to any of these questions then through "The Cardboard Box" you will hear a true story of the life of a single mom who through her own personal trials and triumphs pulled through. This is a book of hope and inspiration and guidance. It is about how to get out of your current situation, how to make better choices, how to get up once you've been knocked down. This first hand

advise will help motivate you and guide you individually. Most importantly it will inspire you to take the right steps the right direction.

- An incredibly imaginative craft book which shows children how to recycle cardboard boxes and turn them into amazing creations

- Easy-to-use wire-bound format lies flat when opened and an envelope on the inside back cover includes 10 templates to help make and decorate projects

Offers craft projects children can create with cardboard boxes, including making a playhouse, giant dice, and a princess castle. Many children have played in a cardboard box. In 2005, the cardboard box was inducted into the National Toy Hall of Fame.

The Cardboard Box and Me chronicles a young boy enjoying his childhood, playing, and pretending in a cardboard box. Then one day, something very real happens. The box mysteriously disappears. Subtle clues challenge him to solve the mystery. When they were children, three youths spent their days on imaginative adventures. Their adventures continue as adults, though they are not the same as before. More danger, more absurdity, and new friends meet them on the voyages through the cosmos. However, dark machinations take shape that endanger the stability of entire universes. A creative young girl breathes new life into a cardboard box i

this "gleeful little story of imaginative play" for fans of Harriet the Spy and Harold and the Purple Crayon (School Library Journal) The day the refrigerator arrives in its large brown carton, Christina Katerina and her mother are both excited, but for very different reasons. Christina quickly claims the box, where she creates a castle, a clubhouse, and other fantastic playthings with her sometimes-friend and neighbor, Fats Watson. Together, they embark on countless hours of adventure, swearing their undying friendship—and waging furious battles, too! "One of the classic characters of children's literature," the spunky and playful Christina Katerina has inspired young readers to embrace their creativity since 1971 (Kirkus Reviews). A staple in classrooms and libraries, this classic children's book is a timeless ode to the power of a child's imagination—and to the beauty that can be found in even the most ordinary of objects. What can you do with a cardboard box? Plenty! No longer destined for the recycling bin, turn your spare scraps into amazing things, from a hot air balloon and space rocket to a Chinese dragon and Tiki totem pole! Includes step-by-step instructions and a starter kit of cardboard with cutting guides. When her Uncle Charlie dies, Mary discovers that she has inherited a house in Georgia. She travels to Sunset Cove, and unravels why her uncle never mentioned the house and why the townspeople don't want her to stay.
