From the beginning of time, Satan has held the sons of men captive in countless ways. Chief among his ploys to instill fear in our hearts and force us to follow him is the manipulation of our minds and bodies. His demons are everywhere in various forms and using unsuspecting victims to lure us down to hell. However, the bigger threat is that evil men and women place curses, cast spells, make witchcraft, hexes and maledictions to torment the innocent and make their lives unbearable. But we are glad that Christ died for this purpose - to deliver us from all the powers of darkness. He has promised and will never fail. It is very important to state here that if you don't first surrender your life to God, no matter how hard you pray for your deliverance - even with this intensive prayer formula - you will not receive your desired liberation. Make a sincere

examination of conscience and go to confession before using this prayer formula. The Catholic Prayer Therapy for Divine Deliverance is a scripture-based prayer guide for anyone seeking supernatural release from all spiritual bondages and manipulations. Like its counterparts in the series, it has been in use for over a decade and has seen countless testimonies. This is the first time I am publishing it in a book form. If you would like me to pray along with you, or have a testimony, send me a message through the email at the end of the book. May God Almighty hear and answer your prayers. Amen. I first real encounter with casting out demons was in 2009 in my High School boarding house. During an entertainment night (jams), I decided to pray in a classroom instead of dancing to secular songs. As a Bible Studies Coordinator for Christ Apostolic Students and Associates on campus, as I began praying some colleagues and members of my denomination joined me and after an hour prayer we closed at 9pm GMT. Everyone left the classroom to the hostel but I realized that a course mate of my stood frozen so as I tapped him, a strange feminine voice came out from his lips insulting me and blaspheming. I realized it was not him but kind of another being speaking from inside of him. I quickly started praying against what the voice was saying and I asked the Lord to take that voice away and restore my friend. Since I have no idea about deliverance ministry except the few times I read about it in the bible, it took me praying for my friend from 9pm to 2pm before my friend became calm and normal. Later in my senior year in High School, I had another privilege to pray for someone under demonic manifesting with my head master and my Biology teacher until that person was restored. After my calling into ministry in 2014 at College, I had a dream where my pastor was teaching his church leaders including me, how to exercise our authority in Christ and cast out demons. I discussed it with my pastor and he told me the Lord wants me to study more on deliverance so He can use me in that ministry. I wrote down what I learnt from the dream and started applying them and it worked. With my prophetic gifts I would receive word of knowledge or discern demons then I would pray as I saw in the dream and people will manifest and the demons leave as they become free. Sometimes just by prophesying to people, demons began leaving them. I once travelled to a village for 3days revivals and counseling program in 2016. My wife ministered on the first night and after her ministration I was invited to speak a few words of encouragement, as I stood up I saw in the spirit a serpent tied around the waist of a lady, I called her up and cast out that demon and the following day the church building was completely full of people. The power of God was so strong and many people were delivered and healed to the glory of God but i encountered a lady with a spirit of divination and did not know anything about that demon and how to deliver the lady since that spirit seems to resist my command prayer. I came home and spent weeks studying more on deliverance ministry and praying. I learnt a lot from others and from the Holy Spirit. I then began to teach others and they too began casting out demons and setting people free. In 2018, I had a dream where in three different scenes, I was asked by individuals and a class of students to teach them about snake bites and how to deal with snakes. I knew this was a call to equip more people in deliverance ministry. I have been doing that through Pistis Bible School ever since but I wrote this book as a manual to study and teach deliverance ministry. The information in this manual is vital to anyone who desires to destroy the works of the devil and cast out demons. Deliverance workers should refer to it periodically in order to refresh their knowledge of Deliverance Ministry. I trust the information in this Manual will bring much needed light to expose demons, their works, our identity and authority in Christ and step by step way on how to destroy set the captives free irrespective of their type or form of bondage. I pray it is a blessing to you and that you will take it, use what you've learned and be a blessing to others. In this powerful book, the renowned exorcist of Rome tells of his many experiences in his ministry as an exorcist doing battle with Satan to relieve the great suffering of people in the grip of evil. The importance of the ministry to "expel demons" is clearly seen in the Gospels, from the actions of the Apostles, and from Church history. Fr. Amorth allows the reader to witness the activities of the exorcist, to experience what an exorcist sees and does. He also reveals how little modern science, psychology, and medicine can do to help those under Satan's influence, and that only the power of Christ can release them from this kind of mental, spiritual or physical suffering. An Exorcist Tells His Story has been a European best-seller that has gone through numerous printings and editions. No other book today so thoroughly and concisely discusses the topic of exorcism. Prayer is effective when we observe biblical proceedings and respect the laws of God; it is warfare against the enemy of our life and destiny. Curses can be defeated and destroyed when we submit ourselves to scriptural truth. Seeking solutions to matters that are curse-oriented demands that one engage the enemy involved in warfare. Wars cannot be fought to finish instantly without major preparations, and the enemy cannot be defeated or destroyed without effective strategies. For those facing this type of conflict Strategic Deliverance Solutions: Discover and Destroy Ancestral Curses contains the essentials for a rewarding prayer life. Dr. Pauline Walley-Daniels informs, trains, and equips God's army before marching us off to spiritual wars. She writes to the heart of the matter in this guide, based upon the study of the book of Esther from the Bible. She explores the meaning and the impact of curses and considers how to break and uproot curses in the realm of warfare and confrontation. Strategic Deliverance Solutions: Discover and Destroy Ancestral Curses explains how to trace the root, and source of affliction. It also teaches on how to undertake a solution-oriented mission in order to conquer the problem. INTRODUCTION Handling anger is an important life skill. Christian counselors report that 85 percents of people who come in for counseling have problems dealing with anger. Anger can shatter communication and tear apart relationships, and it ruins both the joy and health of many. Sadly, people tend to justify their anger instead of accepting responsibility for it. Everyone struggles, to varying degrees, with anger. Thankfully, God's Word contains principles regarding how to handle anger in a godly manner, and how to overcome destructive anger. Overcoming the spirit of destructive anger is not accomplished overnight. But through prayer, Bible study, and reliance upon God's Holy Spirit, the spirit of destructive anger can be overcome. We may have allowed anger to become entrenched in our lives by habitual practice, but we can also practice responding correctly until that, too, becomes a habit and God is glorified in our response. If you want the great and mighty things God has for you in life to manifest, you must get to the root of destructive anger and deal with it. Everybody has to deal with anger from time to time. But what's the best way to handle it? To answer that question, we must first understand what destructive anger really is. Destructive anger is an intense emotional response rooted in annoyance, displeasure, indignation, wrath, vengeance, or hostility which is usually irrationally. Ephesians 4:26-27; "Be ye angry, and sin not: let not the sun goes down upon your wrath: Neither gives place to the devil." You must kill destructive anger by prayer! Many modern Christians are now agreeing that we should take Jesus' command to cast out demons more seriously than we have in recent years. But how do we do it? Where do we start? This practical, down-to-earth book shows us how. From Doris Wagner, one of the leading authorities on biblical deliverance in North America, this manual teaches Christians how to take and break soul ties; how to break bondages of rejection, addiction, lust, and more; and how to set free those whom the enemy has held captive. Prayers That Avail Much has sold over 4 million copies and now pastors and small groups have a resource just for new believers! This little book contains the most important scriptural prayers for beginning their life in Christ. In The Art of Healing Prayer, Charles Ringma and Mary Dickau invite us to enter the realm of God's curative love to aid those seeking the wholeness of Christ. Implicit in this invitation is the understanding that we have opened up our own lives to God's healing grace. For this is a costly ministry, in which precious time and resources will be required of us as we pray biblically, imaginatively and sensitively for someone who may be on a very difficult journey to restoration. Although often carried out behind the scenes of much of the Church's activity, the healing ministry is one of joy and transformation. A person released from long-standing inner woundedness - from the prison of reaction, bitterness, self-pity, self-protection and fear - is one who can grow to inhabit new wide spaces of love and forgiveness. In turn, they may become a source of goodness and healing, as the 'magic' of God's grace results in eddies of life-giving love for others.
