Brother Eagle, Sister Sky Mar 02 2020 The Earth does not belong to us. We belong to the Earth. The great American Indian Chief Seattle spoke these words over a hundred years ago. His remarkably relevant message of respect for the Earth and every creature on it has endured the test of time and is imbued with passion born of love of the land and the environment. Illustrated by award-winning artist Susan Jeffers, the stirring pen-and-color drawings bring a wide array of Native Americans to life while capturing the splendor of nature and the land. Children and parents alike will enjoy the timeless, poignant message presented in this beautifully illustrated picture book. "Together, Seattle's words and Jeffers's images create a powerful message; this thoughtful book deserves to be pondered and cherished by all." (Publishers Weekly) Illustrated by Susan Jeffers.

Restart Feb 10 2021 The amazing New York Times bestseller about what you can do when life gives you a second chance. Chase's memory just went out the window. Chase doesn't remember falling off the roof. He doesn't remember hitting his head. He doesn't, in fact, remember anything. He wakes up in a hospital room and suddenly has to learn his whole life all over again . . . starting with his own name. He knows he's Chase. But who is Chase? When he gets back to school, he sees that different kids have very different reactions to his return. Some kids treat him like a hero. Some kids are clearly afraid of him. One girl in particular is so angry with him that she pours her frozen yogurt on his head the first chance she gets. Pretty soon, it's not only a question of who Chase is -- it's a question of who he was . . . and who he's going to be. From the #1 bestselling author of *Swindle and Slacker*, *Restart* is the spectacular story of a kid with a messy past who has to figure out what it means to get a clean start.

The Memory String Oct 21 2021 Each button on Laura’s memory string represents a piece of her family history. The buttons Laura cherishes the most belonged to her mother—a button from her prom dress, a white one off her wedding dress, and a single small button from the nightgown she was wearing on the day she died. When the string breaks, Laura’s new stepmother, Jane, is there to comfort Laura and search for a missing button, just as Laura’s mother would have done. But it’s not the same—Jane isn’t Mom. In Eve Bunting’s moving story, beautifully illustrated by Ted Rand, Laura discovers that a memory string is not just for remembering the past: it’s also for recording new memories.

STEM to Story Apr 26 2022 Bring STEM to life for students with zombies, rockets, celebrities, and more STEM to Story: Enthralling and Effective Lesson Plans for Grades 5-8 inspires learning through fun, engaging, and meaningful lesson plans that fuse hands-on discovery in science, technology, engineering, and math (STEM) with creative writing. The workshop activities within the book are the innovative result of a partnership between 826 National's proven creative writing model and Time Warner Cable's Connect a Million Minds, an initiative dedicated to connecting young people to the wonders of STEM through hands-on learning. Authentically aligned with both the Common Core State Standards and the Next Generation Science Standards, this book provides teachers, after-school and out-of-school providers, and parents with field-tested lessons, workshops, and projects designed by professionals in each field. Including reflective observations by arts and science celebrities like Jon Scieszka, Mayim Bialik, and Steve Hockensmith, lessons feature bonus activities, fun facts, and teaching points for instructors at every level. These quirky, exploratory lessons will effectively awaken student imaginations and passions for both STEM and creative writing, encourage identity with scientific endeavors, and make both science and writing fun. Grades five through eight is the critical period for engaging students in STEM, and this book is designed specifically to appeal to – and engage – this age group. The guided curricula fosters hands-on discovery, deep learning, and rich inquiry skills while feeling more like play than school, and has proven popular and effective with both students and teachers.

Awaken student imagination and get them excited about STEM Fuse creative writing with STEM using hands-on activities Make scientific principles relevant to students' lives Inspire students to explore STEM topics further The demand for STEM workers is closely linked to global competitiveness, and a successful future in STEM depends upon an early introduction to the scientific mindset. The challenge for teachers is to break through students' preconceptions of STEM fields as "hard" or "boring," to show them that STEM is everywhere, it's relevant, and it's loads of fun. For proven lesson plans with just a dash of weird, STEM to Story is a dynamic resource, adaptable and applicable in school, after school, and at home.

The Report Card Aug 19 2021 Nora Rose Rowley is a genius, but don't tell anyone. Nora's managed to make it to the fifth grade without anyone figuring out that she's not just an ordinary kid, and she wants to keep it that way. But then Nora gets fed up with the importance everyone attaches to test scores and grades, and she purposely brings home a terrible report card just to prove a point. Suddenly the attention she's successfully avoided all her life is focused on her, and her secret is out. And that's when things start to get really complicated....

One Crazy Summer Feb 22 2022 Eleven-year-old Delphine has it together. Even though her mother, Cecile, abandoned her and her younger sisters, Vonetta and Fern, seven years ago. Even though her father and Big Ma will send them from Brooklyn to Oakland, California, to stay with Cecile for the summer. And even though Delphine will have to take care of her sisters, as usual, and learn the truth about the missing pieces of the past. When the girls arrive in Oakland in the summer of 1968, Cecile wants nothing to do with them. She makes them eat Chinese takeout dinners, forbids them to enter her kitchen, and never explains the strange visitors with Afros and black berets who knock on her door. Rather than spend time with them, Cecile sends Delphine, Vonetta, and Fern to a summer camp sponsored by a revolutionary group, the Black Panthers, where the girls get a radical new education. Set during one of the most tumultuous years in recent American history, one crazy summer is the heartbreaking, funny tale of three girls in search of the mother who abandoned them—an unforgettable story told by a distinguished author of books for children and teens, Rita Williams-Garcia.

Writing Effective Lesson Plans Jan 04 2023 Developed by two educators with experience in both elementary and secondary classrooms, Writing Effective Lesson Plans details a unique a step-by-step procedure designed to streamline the process of lesson planning and make teaching smoother and more efficient. Coined the "Five-Star Lesson Plan" by the authors, this model consists of five classic components: lesson description, goals and objectives, materials and tools, procedures, and reflective assessment and evaluation. This workbook guides beginning and experienced teachers through each step to create lesson plans that best meet the needs of every student. It also explores the inherent challenges to effective lesson planning, such as time efficiency, knowledge construction, skill development, involving the students' families, and implementing your plan. With its mix of concise theory and hands-on activities, this book is a one-stop resource encouraging a deep and thoughtful approach to a skill that is often not sufficiently developed in teacher preparation programs.

A Raisin in the Sun Mar 26 2022 "Never before, in the entire history of the American theater, has so much of the truth of Black people's lives been seen on the stage," observed James Baldwin shortly before *A Raisin in the Sun* opened on Broadway in 1959. This edition presents the fully restored, uncut version of Hansberry's landmark work with an introduction by Robert Nemiroff. Lorraine Hansberry's award-winning drama about the hopes and aspirations of a struggling, working-class family living on the South Side of Chicago connected profoundly with the psyche of Black America—and changed American theater forever. The play's title comes from a line in Langston Hughes's poem "Harlem," which warns that a dream deferred might "dry up/like a raisin in the sun." "The events of every passing year add resonance to *A Raisin in the Sun*," said The New York Times. "It is as if history is conspiring to make the play a classic."

Goodbye Winter, Hello Spring Jun 16 2021 In a simple, cheerful conversation with nature, a young boy observes how the season changes from winter to spring in Kenard Pak's *Goodbye Winter, Hello Spring*. As days stretch longer, animals creep out from their warm dens, and green begins to grow again, everyone knows—spring is on its way! Join a boy and his dog as they explore nature and take a stroll through the countryside, greeting all the signs of the coming season. In a series of conversations with everything from the melting brook to chirping birds, they say goodbye to winter and welcome the lushness of spring.

The Invisible Boy Sep 19 2021 A gentle story that teaches how small acts of kindness can help children feel included and allow them to flourish, from esteemed author and speaker Trudy Ludwig and acclaimed illustrator Patrice Barton. A simple act of kindness can transform an invisible boy into a friend... Meet Brian, the invisible boy. Nobody in class ever seems to notice him or think to include him in their group, game, or birthday party . . . until, that is, a new kid comes to class. When Justin, the new boy, arrives, Brian is the first to make him feel welcome. And when Brian and Justin team up to work on a class project together, Brian finds a way to shine. Any parent, teacher, or counselor looking for material that sensitively addresses the needs of quieter children will find *The Invisible Boy* a valuable and important resource. Includes a discussion guide and resources for further reading.

Turning on Learning Apr 02 2020 This is a very applied companion text to *Making Choices for Multicultural Education* by Sleeter & Grant. It is based on the five major approaches to multicultural education; especially on the Social Reconstructionist approach advocated in *Making Choices for Multicultural Education*. This text educates readers on how to take existing lesson plans and re-work them to become multicultural. A discussion explaining why the changes were made follows each lesson plan.

Henry's Freedom Box Jun 04 2020 A stirring, dramatic story of a slave who mails himself to freedom by a Jane Addams Peace Award-winning author and a Coretta Scott King Award-winning artist. Henry Brown doesn't know how old he is. Nobody keeps records of slaves' birthdays. All the time he dreams about freedom, but that dream seems farther away than ever when he is torn from his family and put to work in a warehouse. Henry grows up and marries, but he is again devastated when his family is sold at the slave market. Then one day, as he lifts a crate at the warehouse, he knows exactly what he must do: He will mail himself to the North. After an arduous journey in the crate, Henry finally has a birthday -- his first day of freedom.

Holes May 04 2020 #1 NEW YORK TIMES BESTSELLER • NEWBERY MEDAL WINNER • NATIONAL BOOK AWARD WINNER Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner—or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times *Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from the New York Times bestseller *Fuzzy Mud*.

Reading Fluency Jun 28 2022 Reading fluency has been identified as a key component of proficient reading. Research has consistently demonstrated significant and substantial correlations between reading fluency and overall reading achievement. Despite the great potential for fluency to have a significant outcome on students' reading achievement, it continues to be not well understood by teachers, school administrators and policy makers. The chapters in this volume examine reading fluency from a variety of perspectives. The initial chapter sketches the history of fluency as a literacy instruction component. Following chapters examine recent studies and approaches to reading fluency, followed by chapters that explore actual fluency instruction models and the impact of fluency instruction. Assessment of reading fluency is critical for monitoring progress and identifying students in need of intervention. Two articles on assessment, one focused on word recognition and the other on prosody, expand our understanding of fluency measurement. Finally, a study from Turkey explores the relationship of various reading competencies, including fluency, in an integrated model of reading. Our hope for this volume is that it may spark a renewed interest in research into reading fluency and fluency instruction and move toward making fluency instruction an even more integral part of all literacy instruction.

I Am Human Aug 07 2020 I am human I am a work in progress Striving to be the best version of ME From the picture book dream team behind *I Am Yoga* and *I Am Peace* comes the third book in their wellness series: *I Am Human*. A hopeful meditation on all the great (and challenging) parts of being human, *I Am Human* shows that it's okay to make mistakes while also emphasizing the power of good choices by offering a kind word or smile or by saying "I'm sorry." At its heart, this picture book is a celebration of empathy and compassion that lifts up the flawed fullness of humanity and encourages children to see themselves as part of one big imperfect family—millions strong.

Kodály in the Fifth Grade Classroom Oct 01 2022 Since the mid-twentieth century, Zoltán Kodály's child-developmental philosophy for teaching music has had significant positive impact on music education around the world, and is now at the core of music teaching in the United States and other English speaking countries. The Kodály Today handbook series is the first comprehensive system to update and apply the Kodály concepts to teaching music in elementary school classrooms. *Kodály in the Fifth Grade Classroom* provides teachers with a step-by-step road map for developing children's performance, creative movement, and literacy skills in an organic and thoughtful manner. Through six years of field-testing with music kindergarten teachers in the United States, Great Britain, and Hungary (the home country of Zoltán Kodály), authors Micheál Houlahan and Philip Tacka have developed a methodology specifically for 21st century classrooms. Houlahan and Tacka use the latest research findings in cognition and perception to create a system not only appropriate for the developmental stages of first grade students but also one which integrates vertically between elementary music classes. The methods outlined in this volume encourage greater musical ability and creativity in children by teaching them to sing, move, play instruments, and develop music literacy skills. In addition, *Kodály in the Fifth Grade Classroom* promotes critical thinking, problem solving, and collaboration skills. Although the book uses the Kodály philosophy, its methodology has also been tested by teachers certified in Orff and Dalcroze, and has proven an essential guide for teachers no matter what their personal philosophy and specific training might be. Numerous children's songs are incorporated into *Kodály in the Fifth Grade Classroom*, as well as over 35 detailed lesson plans that demonstrate how music and literacy curriculum goals are transformed into tangible musical objectives. Scholarly yet practical and accessible, this volume is sure to be an essential guide for kindergarten and early childhood music teachers everywhere.
