Glory, Azure and Gold Oct 25 2019 This is the first book to be published on the stained-glass art of Thomas Denny. While his name is known mainly within ecclesiastical and glass-making circles, it is likely that Denny's art is instantly recognisable to a great many more. His radiant windows in Gloucester, Durham and Hereford Cathedrals and in many churches and chapels around the UK are arguably some of the art world's best-kept secrets. Denny (b.1956) originally studied painting at Edinburgh College of Art and has translated this painterly experience into a uniquely expressive style of stained glass. His works combine the aesthetic invention of modern British forbears such as John Piper with subtle reference to the medieval and ancient past. Including eleven heartfelt essays as well as poetry and the artist's own testimony, which explore and explain the subject matter, techniques and dazzling effect of Denny's craft, this book will be of interest to members of the thriving community of contemporary glass-makers as well as anyone who has seen and been moved by his work.

Golden Glory Mar 30 2020 God has never stopped performing signs and wonders for those who believe, and He never will. What we are seeing in the dawning days of the new millennium, however, is something altogether new and different. It comes to us as we pray and as we worship, but it is also falling upon us as we go about our daily activities. This golden glory is being manifested to those who seek it, and also to some who don't. It is a sovereign act of God to show His presence and His power in these last days. It is a wake-up call for the nations, a visible sign to the whole world, this rain of God's Golden Glory.

Gold, Glory, Girls Sep 16 2021 I want to talk with you about these drives that all men have; gold, glory and girls. I want to keep you from the emptiness that you will certainly experience if these three G's are the focus of your life. Then I want to talk about God, but not in a stuffy, churchy way. You don't need the typical religious approach to life. This often leads to boredom, guilt, business and frankly substitutes the emptiness of gold, glory and girls with another kind of emptiness peddled as the answer to life. I am not going to take you there. I want you to fill the emptiness in your heart and help you find a joy and fulfillment that you have never had before. I want you to experience manly challenge, incredible achievement and find out why you were really made - your true life's purpose. So buckle your seat belt. Get ready for the ride of your life!
