The Born Queen Aug 31 2022 In The Kingdoms of Thorn and Bone, Greg Keyes has crafted a brilliant saga of magic, adventure, and love set against a backdrop of clashing empires and an ancient, reawakened evil. Now, with *The Born Queen*, Keyes brings his epic to a masterly close, gathering the strands of plot and character into a stunning climax that both completes and transcends all that has gone before. The Briar King is dead, and the world itself follows him to ruin. Aspar White, wounded and tired, must embark on one last quest to save the forest and the people he loves, but he has little hope of success. Anne Dare at last sits on the throne of Crotheny, but for how long? The Church, now led by the corrupt and powerful Marché Hespero, has declared a holy war against her, giving the king of Hansa the pretext he needs to unleash his vast might on the young queen and her unready army. But Hansa is the least of Anne's worries. The Hellrune, war seer of Hansa, strikes at her through vision and prophecy. The Kept—last of the elder Skasloi lords—weaves his own dark webs. Anne's teacher and ally in the sedos world might also be her worst enemy, and Anne's own mounting strength compels her toward madness. Surviving these dangers and mastering her eldritch abilities are merely prelude to the real struggle. There are many—some with power matching or even exceeding Anne's own—who are willing to kill in order to seize control. For whoever sits upon the throne will have the ultimate command to bring about the world's salvation—or its apocalypse.

The Progresses and Public Processions of Queen Elizabeth Oct 21 2021

Queen of Air and Darkness Apr 02 2020 All first editions will include exclusive reverse-printed jacket art, ten black and white interior illustrations, and a new short story! Dark secrets and forbidden love threaten the very survival of the Shadowhunters in Cassandra Clare's *Queen of Air and Darkness*, the final novel in the #1 New York Times and USA TODAY bestselling *The Dark Artifices* trilogy. *Queen of Air and Darkness* is a Shadowhunters novel. What if damnation is the price of true love? Innocent blood has been spilled on the steps of the Council Hall, the sacred stronghold of the Shadowhunters. In the wake of the tragic death of Livia Blackthorn, the Clave teeters on the brink of civil war. One fragment of the Blackthorn family flees to Los Angeles, seeking to discover the source of the disease that is destroying the race of warlocks. Meanwhile, Julian and Emma take desperate measures to put their forbidden love aside and undertake a perilous mission to Faerie to retrieve the Black Volume of the Dead. What they find in the Courts is a secret that may tear the Shadow World asunder and open a dark path into a future they could never have imagined. Caught in a race against time, Emma and Julian must save the world of Shadowhunters before the deadly power of the parabatai curse destroys them and everyone they love.

Queen Dog Apr 26 2022 *Queen Dog* has ruled her castle with grace and majesty since she was a pup. Her people adore her. They provide her with delicious meals and shower her with attention. Lately, though, they have been a bit distracted and service has started to slip. *Queen Dog* tries her best to make do—but then a stranger moves into the castle! Who is this tiny newcomer commanding all the attention? A servant, or a pretender to the throne? With comic action and a regal twist, *Queen Dog* turns a royal pain into a perfect princess.

Queen Pin Nov 21 2021 Jemeker Thompson-Hairston paid a heavy price for her involvement in the drug game. Learning from her sources of a federal investigation, Jemeker went on the run. It was love for her young son that brought her back to Los Angeles, even though she knew she would be arrested. A subsequent 15-year sentence would cost her not only her legitimate business and the fortune she'd amassed through the drug trade, but the most precious thing of all: time with her child. But not all was lost. Fortunately, while Thompson-Hairston was serving out the fifteen-year sentence, one pivotal moment helped her turn her life around, setting her on a path to help and inspire others like her. Now, in *QUEEN PIN*, written with New York Times bestselling author David Ritz, she reveals in gripping detail her journey of redemption that readers won't soon forget.

Sphinx's Queen Jun 04 2020 Esther Friesner's fanbase is growing. Readers who love girl-centric teen fantasy/adventure are happily following her from ancient Greece to ancient Egypt and beyond. Overnight, every aspect of Nefertiti's life has changed. She is no longer living at the royal palace as the intended bride of the crown prince. Instead, she is being chased by the prince's soldiers for a crime she did not commit. Traveling with two of her dearest friends, including the crown prince's brother, Nefertiti takes shelter in the wild hills along the Nile's west bank. But she is determined to plead her case and set things right. As she begins to question long-held sacred beliefs—a questioning that could alter the fabric of Egyptian society—her extraordinary journey from commoner to royalty brings adventure, intrigue, and romance.

Queen of the Turtle Derby and Other Southern Phenomena Aug 26 2019 In classic Dixie storytelling fashion, with a rare blend of literary elegance and plainspoken humor, the inimitably charming, staunchly Southern Julia Reed wends her way below the Mason-Dixon line and observes many phenomena— from politics, religion, and women to weather, guns, and what she calls “drinking and other Southern pursuits.” To hear Reed tell it, the South is another country. She builds an entertaining and persuasive case, using as examples everything from its unfathomable codes of conduct to its disciplined fashion sense. And then there is Southern food, which is an entire world apart: Gumbo, grits, greens, and, of

course, fried chicken make memorable appearances in Reed's essays, which will amuse, delight, and even explain a thing or two to baffled Yankees everywhere.

Katherine the Queen Aug 07 2020 The general perception of Katherine Parr is that she was a provincial nobody with intellectual pretensions who became queen of England because the king needed a nurse as his health declined. Yet the real Katherine Parr was attractive, passionate, ambitious, and highly intelligent. Thirty years old (younger than Anne Boleyn had been) when she married the king, she was twice widowed and held hostage by the northern rebels during the great uprising of 1536-37 known as the Pilgrimage of Grace. Her life had been dramatic even before she became queen and it would remain so after Henry's death. She hastily and secretly married her old flame, the rakish Sir Thomas Seymour, and died shortly after giving birth to her only child in September 1548. Her brief happiness was undermined by the very public flirtation of her husband and stepdaughter, Princess Elizabeth. She was one of the most influential and active queen consorts in English history, and this is her story.

The New Royals Dec 31 2019 Vanity Fair Royals correspondent and bestselling author of William and Harry and Kate explores the remarkable life and reign of Queen Elizabeth II and the legacy she has handed down after her death to the next generation. For seventy years, Queen Elizabeth ruled over an institution and a family. During her lifetime she was constant in her desire to provide a steady presence and to be a trustworthy steward of the British people and the Commonwealth. In the face of her uncle's abdication, in the uncertainty of the Blitz, and in the tentative exposure of her family and private life to the public via the press, Elizabeth became synonymous with the crown. ? But times change. Recent years have brought grief and turmoil to the House of Windsor, and even as England celebrated the Queen's Platinum Jubilee, there were calls for a changing of the guard. In *The New Royals*, journalist Katie Nicholl provides a nuanced look at Elizabeth's remarkable and unrivalled reign, with new stories from Palace courtiers and aides, documentarians, and family members. She examines King Charles and Queen Consort Camilla's decades in waiting and beyond—where “The Firm” is headed as William and Kate present the modern faces of an ancient institution. In the wake of Harry and Meghan leaving the Royal Family and Prince Andrew's spectacular fall from grace, the royal family must reckon with its history, the light and the dark, in order to chart a course for Britain beyond its Queen and to show that it is an institution capable of leadership in an ever-changing modern world.

The Queen Dec 03 2022 The magisterial life of the woman whose family's personal intrigues, romances and political rivalries have shaped much of post-war British history.

Mrs Queen Takes the Train May 04 2020 An absolute delight of a debut novel by Kuhn--author of "Reading Jackie: Her Autobiography in Books"--that wittily imagines the kerfuffle that transpires when a bored Queen Elizabeth strolls out of the palace in search of a little fun, leaving behind a desperate team of courtiers who must find the missing Windsor before a national scandal erupts.

The Queen's Accomplice Oct 01 2022 Spy and code-breaker extraordinaire Maggie Hope returns to war-weary London, where she is thrust into the dangerous hunt for a monster, as the New York Times bestselling mystery series for fans of Jacqueline Winspear, Charles Todd, and Anne Perry continues. England, 1942. The Nazis' relentless Blitz may have paused, but London's nightly blackouts continue. Now, under the cover of darkness, a madman is brutally killing and mutilating young women in eerie and exact re-creations of Jack the Ripper's crimes. What's more, he's targeting women who are reporting for duty to be Winston Churchill's spies and saboteurs abroad. The officers at MI-5 quickly realize they need the help of special agent Maggie Hope to find the killer dubbed “the Blackout Beast.” A trap is set. But once the murderer has his sights on Maggie, not even Buckingham Palace can protect the resourceful spy from her fate. Praise for *The Queen's Accomplice* “Maggie is a thoughtful spy whose dangerous escapades never disappoint.”—Kirkus Reviews “A fine historical mystery given a feminist slant.”—Booklist “Plausible and elegant . . . Like all MacNeal's novels, this one ends on a cliffhanger that will leave readers eagerly awaiting Maggie's next adventure.”—Shelf Awareness “Works as a suspenseful stand-alone . . . interesting and informative . . . wartime London is vividly portrayed . . . recommended for those who like their historical mysteries with a large dose of suspense.”—Historical Novel Society “For those who are Maggie Hope diehards, this latest in the series is sure to satisfy.”—Reviewing the Evidence “MacNeal's meticulous research shines through on every page, and pays off with a wartime atmosphere that feels real.”—Crimespree Magazine

LIFE Jubilee! Queen Elizabeth II Sep 27 2019 In April of 2011 LIFE ventured to London for our bestselling book *The Royal Wedding of Prince William and Kate Middleton*. This June we return to capture all the pomp and circumstance as England celebrates its queen's 60th year on the throne. All of the best photography from the festivities will be in these pages — as will so much else. Directly descended from Victoria, Elizabeth is now on the verge of supplanting that great queen as Britain's longest serving monarch ever — and LIFE has had its cameras trained on her since she was a little girl. We were there to record her precocious courage during World War II, her splendiferous marriage to Prince Philip, her glittery coronation, her travails and dramas in the modern age. The other characters that come and go in these pages are equally famous and compelling: Wayward Uncle Edward who had to abdicate the throne, the Queen Mum and her hats, Elizabeth's father George VI who overcame his stammer to rally his countrymen during the war, Prince Charles, Lady Diana, the grandsons Will and Harry — and on and on. We see these people move through palaces opulent beyond belief (Buckingham, Windsor), and estates that dwarf Downton Abbey (Sandringham, Balmoral). We learn of their lives, their loves, their scandals. Ever with her head held high, there is Elizabeth II. Here is her royal story, told in its entirety. This book will include not only grand photography of the Jubilee but of prior House of Windsor celebrations, including Victoria's own 60th anniversary celebration, Elizabeth's wedding, the so-called “Wedding of the Century” (Charles and Di's), and the recent marriage of Elizabeth's grandson to Princess Kate. It is a splashy, festive book. It fairly shouts: “Long live the queen!”

The Last Queen May 28 2022 A timely and revelatory new biography of Queen Elizabeth (and her family) exploring how the Windsors have evolved and thrived, as the modern world has changed around them. Clive Irving's stunning new narrative biography *The Last Queen* probes the question of the British monarchy's longevity. In 2021, the Queen Elizabeth II finally appears to be at ease in the modern world, helped by the new generation of Windsors. But through Irving's unique insight there emerges a more fragile institution, whose extraordinarily dutiful matriarch has managed to persevere with dignity, yet in doing so made a Faustian pact with the media. *The Last Queen* is not a conventional biography—and the book is therefore not limited by the traditions of that genre. Instead, it follows Elizabeth and her family's struggle to survive in the face of unprecedented changes in our attitudes towards the royal family, with the critical eye of an investigative reporter who is present and involved on a highly personal level.

The Queen's Lift-Off Nov 29 2019 From the award-winning creator of *The Queen's Hat*, *The Queen's Handbag* and *The Queen's Present* comes a fourth hilarious tale taking the reader on a whirlwind royal tour of space! The Queen has been round the UK, and the world - twice! - and now she's off to space! Perfectly ties in with the 50th anniversary of the first moon landing in 1969. A witty and stylish celebration of the Queen, created by Steve Antony, winner of the Oscar's First Book Prize, nominated for the Kate Greenaway Medal and shortlisted for the Waterstones Children's Book Prize. Praise for *The Queen's Hat*: 'This is a wonderful romp of a read that's a great introduction to London, royalty and all that makes Britain great.' - Sun 'This picture book is hard to beat for its sweet simplicity and charming monochromatic drawings.' - The Times

Just a Queen Oct 28 2019 The Queen of Scots is dead and they say I killed her. They lie! Just a girl to those around her, Elizabeth is now the Queen of England. She has outsmarted her enemies and risen above a lifetime of hurt and betrayal - a mother executed by her father, a beloved brother who died too young and an enemy sister whose death made her queen. Not knowing whom she can trust, Elizabeth is surrounded by men who give her compliments and advice but may be hiding daggers and poison behind their backs. Elizabeth must use her head and ignore her heart to be the queen her people need. But what if that leads to doing the one thing she swore she would never do? 'A vivid insight into the heart and mind of Queen Elizabeth I.' Georgia Blain, author of *Closed for Winter* 'Thoroughly engaging and written with passion.' Reading Time

Elizabeth the Queen Jul 18 2021 A tribute to the life and enduring reign of Elizabeth II draws on numerous interviews and previously undisclosed documents to juxtapose the queen's public and private lives, providing coverage of such topics as her teen romance with Philip, her contributions during World War II and the scandals that have challenged her family. (This book was previously listed in Forecast.)

Lady Q May 16 2021 Looks at the life of a member of Chicago's Puerto Rican gang the Latin Queens, the female counterpoint of the Latin Kings, and details the years of sexual abuse that began at the age of five and the consequences of breaking the gang's code of silence when she appeared on Oprah Winfrey's local talk show.

Queen Anne Dec 11 2020 The reign of Queen Anne, the last Stuart monarch, was a period of significant progress for the country: Britain became a major military power on land, the union of England and Scotland created a united kingdom of Great Britain, and the economic and political basis for the Golden Age of the eighteenth century was established. However, the queen herself has received little credit for these achievements and has long been pictured as a weak and ineffectual monarch dominated by her advisers. This landmark biography of Queen Anne shatters that image and establishes her as a personality of integrity and invincible stubbornness, the central figure of her age. -- Amazon.com (summary from the Kindle edition)

Mary, Queen of Scots Jul 06 2020 More than four hundred years after her death, Mary Queen of Scots remains one of the most romantic and controversial figures in British history. Antonia Fraser's classic biography of her won the James Tait Prize when it was first published in 1969, became an international bestseller and was translated into nine languages. Mary passed her childhood in France and married the Dauphin to become Queen of France at the age of sixteen. Widowed less than two years later, she returned to Scotland as Queen after an absence of thirteen years. Her life then entered its best known phases: the early struggles with John Knox, and the unruly Scottish nobility; the fatal marriage to Darnley and his mysterious death; her marriage to Bothwell, the chief suspect, that led directly to her long English captivity at the hands of Queen Elizabeth; the poignant and extraordinary story of her long imprisonment that ended with the labyrinthine Babington plot to free her, and her execution at the age of forty-four. Antonia Fraser's biography, four years in the writing, enters fully into the life of an historical figure who continues to capture the popular imagination, and provides a moving answer to the question, 'What was Mary Queen of Scots really like?' 'Lady Antonia Fraser tells Mary's story movingly and yet with scholarship, insight and balance. It is the sort of biography of Mary which has long been needed.' The Scotsman 'A fluent narrative style, a perfect eye for physical detail, a rich sense of the black comedy that the period demands and a high feeling for the central tragedy' Sunday Times

The Queen Feb 10 2021 The years since Queen Elizabeth II came to the throne in 1952 have been well chronicled, coinciding as they do with the second half of the 20th century. Throughout these years, as statesmen and politicians have come and gone, the Queen has remained a constant figure of stability and reassurance. Taking her reign year by year, The Queen records how Elizabeth has so brilliantly managed to combine the roles of wife, mother, and grandmother with those of Head of State and Head of the Commonwealth. Her growing family, the Royal tours, the changing world around her are all superbly recorded here in words and photographs. Ronald Allison was the BBC's Court Correspondent when, in 1973, he became Press Secretary to Her Majesty the Queen. He remained at Buckingham Palace until 1978, and he has since broadcast and written regularly on the monarchy and the royal family.

Emma Jun 28 2022 In her reign as queen, Emma both helped Kamehameha IV prevent the extinction of the Hawaiian people during the end of colonial rule and dedicated much of her philanthropic efforts to Hawai'i's education and health care.

Ella McKeen, Kickball Queen Dec 23 2021 When first-grader Ella, the undisputed kickball queen at school, is bested by new student Riya Patel, she throws a tantrum with her entire class watching.

The Philosopher Queen Jan 12 2021 The search for an ethic that is joyful and life-loving, yet politically and scientifically realistic, is at the root of Cuomo's recent philosophy.

The Falcon Queen Jan 24 2022 (The Norsewomen Book 2)Ninth century Norway, the island of Tromøy.Åsa has won back her father's kingdom, but can she hold it? The evil shapeshifter Hrolf lurks in the hinterlands, plotting revenge. The powerful Danes threaten from across the Skagerrak Sea, demanding marriage in exchange for peace, while her only ally, Olaf, presses his own suit. Though she loves Olaf, Åsa refuses to sacrifice her position and her people's welfare to become any man's property. Then, across the snow-clad mountains comes Ragnhild, a runaway shield-maiden, seeking glory and gold. She seems to be the answer to Åsa's prayers, but Ragnhild's past catches up with her, bringing treachery and war.

The Queen Mar 02 2020 Traces the life story of Britain's Queen Elizabeth and attempts to create a true picture of her personality and accomplishments

Queen: Complete Works (revised and updated) Nov 02 2022 Clashing together outrageous musical influences, and extravagant visual imagery, Queen's place in history as the greatest glam band of them all is rock solid. Their fan base continues to grow, over 25 years on from the death of Freddie Mercury, Queen's flamboyant, unforgettable front man. More than 40 charming recipes include everything from delicate finger sandwiches to Victoria sponge cake, Chelsea Buns, and a Champagne Cocktail. In these pages learn about the royals and their connection to the history of tea, why jam pennies were Queen Elizabeth II's favorite tea time treat, and how mead cake came to be served during Henry VIII's reign. Discover what cake William and Catherine selected for their wedding and hear why orange-scented scones became a royal tradition at Kensington Palace. Tea Fit for a Queen presents a taste of palace etiquette to take home. Includes metric measures.

The Queen of America Goes to Washington City Jun 16 2021 Drawing on literature, the law, and popular media--and "taking her (counter)cue from that celebrated sitcom of American life, "The Reagan Years" (Homi K. Bhabha)--Berlant presents a stunning and major statement about the nation and its citizens in an age of mass mediation. Her intriguing narratives and gallery of images will challenge readers to rethink what it means to be an American and seek salvation in its promise. 57 photos.

The Clancys of Queens Nov 09 2020 A witty memoir that weaves an authentic coming-of-age tale into a bold portrait of New York's working-class women. Fifth-generation New Yorker, third-generation bartender, and first-generation author Tara Clancy was raised in three wildly divergent homes: a converted boat shed in working class Queens, a geriatric commune of feisty, Brooklyn-born Italians, and a sprawling Hamptons estate she visited every other weekend. This childhood triptych comes to life in The Clancys of Queens, an electric, one-of-a-kind memoir. From scheming and gambling with her force-of-nature grandmother, to brawling with eleven-year-old girls on the concrete recess battle yard of MS 172, to hours lounging on Adirondack chairs beside an immaculate croquet lawn, to holding court beside Joey O'Dirt, Goiter Eddy, and Roger the Dodger at her Dad's local bar, Tara leapfrogs across these varied spheres, delivering stories from each world with originality, grit, and outrageous humor. But The Clancys of Queens is not merely an authentic coming-

of-age tale or a rowdy barstool biography. Chock-full of characters who escape the popular imaginings of this city, it offers a bold portrait of real people, people whose stories are largely absent from our shelves. Most crucially, it captures—in inimitable prose—the rarely-heard voices of New York’s working-class women. With a light touch but a hard hit, *The Clancys of Queens* blends savvy and wit to take us on an unforgettable strata-hopping adventure.

Victoria the Queen Apr 14 2021 A magnificent biography of Queen Victoria by International New York Times columnist Julia Baird. Drawing on previously unpublished papers, *Victoria: The Queen* is a stunning new portrait of the real woman behind the myth - a story of love and heartbreak, of devotion and grief, of strength and resilience. When Victoria was born, in 1819, the world was a very different place. Revolution would begin to threaten many of Europe's monarchies in the coming decades. In Britain, a generation of royals had indulged their whims at the public's expense, and republican sentiment was growing. The Industrial Revolution was transforming the landscape, and the British Empire was commanding ever larger parts of the globe. Born into a world where woman were often powerless, during a century roiling with change, Victoria went on to rule the most powerful country on earth with a decisive hand. Fifth in line to the throne at the time of her birth, Victoria was an ordinary woman thrust into an extraordinary role. As a girl, she defied her mother's meddling and an adviser's bullying, forging an iron will of her own. As a teenage queen, she eagerly grasped the crown and relished the freedom it brought her. At twenty years old, she fell passionately in love with Prince Albert of Saxe-Coburg and Gotha, eventually giving birth to nine children. She loved sex and delighted in power. She was outspoken with her ministers, overstepping boundaries and asserting her opinions. After the death of her adored Albert, she began a controversial, intimate relationship with her servant John Brown. She survived eight assassination attempts over the course of her lifetime. And as science, technology, and democracy were dramatically reshaping the world, Victoria was a symbol of steadfastness and security-queen of a quarter of the world's population at the height of the British Empire's reach. Drawing on sources that include revelations about Victoria's relationship with John Brown, Julia Baird brings vividly to life the fascinating story of a woman who struggled with so many of the things we do today: balancing work and family, raising children, navigating marital strife, losing parents, combating anxiety and self-doubt, finding an identity, searching for meaning. This sweeping, page-turning biography gives us the real woman behind the myth: a bold, glamorous, unbreakable queen—a Victoria for our times, a Victoria who endure

Drama Queen Sep 07 2020 Jessica does her best to match up her friends but things don't always work out quite as she had hoped

Jane Seymour, The Haunted Queen Feb 22 2022 “A sumptuous historical novel anchored by its excellent depiction of Jane Seymour, Henry the VIII’s third queen . . . This is a must for all fans of Tudor fiction and history.”—Publishers Weekly Ever since she was a child, Jane has longed for a cloistered life as a nun. But her large noble family has other plans, and as an adult, Jane is invited to the King’s court to serve as lady-in-waiting to Queen Katherine of Aragon. The devout Katherine shows kindness to all her ladies, almost like a second mother, which makes rumors of Henry’s lustful pursuit of Anne Boleyn—also lady-in-waiting to the queen—all the more shocking. For Jane, the betrayal triggers memories of a haunting incident that shaped her beliefs about marriage. But once Henry disavows Katherine and secures Anne as his new queen—forever altering the religious landscape of England—he turns his eye to another: Jane herself. Urged to return the King’s affection and earn favor for her family, Jane is drawn into a dangerous political game that pits her conscience against her desires. Can Jane be the one to give the King his long-sought-after son, or will she be cast aside like the women who came before her? Bringing new insight to this compelling story, Alison Weir marries meticulous research with gripping historical fiction to re-create the dramas and intrigues of the most renowned court in English history. At its center is a loving and compassionate woman who captures the heart of a king, and whose life will hang in the balance for it. Praise for Jane Seymour, *The Haunted Queen* “Bestselling [Alison] Weir’s impressive novel shows why Jane deserves renewed attention [and] illustrates Jane’s unlikely journey from country knight’s daughter to queen of England. . . . From the richly appointed decor to the religious tenor of the time, the historical ambience is first-rate.”—Booklist (starred review) “Deft, authoritative biographical fiction . . . a dramatic and empathic portrait of Jane Seymour.”—Kirkus Reviews

During the Reign of the Queen of Persia Aug 19 2021 A multigenerational family drama about grief, motherhood, and coming of age, all taking place on an Ohio farm. Joan Chase’s subtle story of three generations of women negotiating lifetimes of “joy and ruin” deserves its place alongside such achievements as Marilynne Robinson’s *Housekeeping* and Alice Munro’s *Lives of Girls and Women*. The *Queen of Persia* is not an exotic figure but a fierce Ohio farmwife who presides over a household of daughters and granddaughters. The novel tells their stories through the eyes of the youngest members of the family, four cousins who spend summers on the farm, for them both a life-giving Eden and the source of terrible discoveries about desire and loss. The girls bicker and scrap, they whisper secrets at bedtime, and above all, they observe the kinds of women their mothers are and wonder what kind of women they will become. But always present is the family’s great trauma, the decline and eventual death from cancer of Gram’s daughter Grace. A powerful story about family ties and tensions, *During the Reign of the Queen of Persia* is also a book about place, charting the transformation of the old hardscrabble Midwest into the commercial wilderness of modern America.

Looking for Salvation at the Dairy Queen Oct 09 2020 Sometimes you have to return to the place where you began, to arrive at the place where you belong. It’s the early 1970s. The town of Ringgold, Georgia, has a population of 1,923, one traffic light, one Dairy Queen, and one Catherine Grace Cline. The daughter of Ringgold’s third-generation Baptist preacher, Catherine Grace is quick-witted, more than a little stubborn, and dying to escape her small-town life. Every Saturday afternoon, she sits at the Dairy Queen, eating Dilly Bars and

plotting her getaway to Atlanta. And when, with the help of a family friend, the dream becomes a reality, she immediately packs her bags, leaving her family and the boy she loves to claim the life she's always imagined. But before things have even begun to get off the ground in Atlanta, tragedy brings Catherine Grace back home. As a series of extraordinary events alter her perspective--and sweeping changes come to Ringgold itself--Catherine Grace begins to wonder if her place in the world may actually be, against all odds, right where she began. Intelligent, charming, and utterly readable, *Looking for Salvation at the Dairy Queen* marks the debut of a talented new literary voice.

The Raven Queen Mar 14 2021 In this dazzling retelling of one of Ireland's most stirring legends, acclaimed author Jules Watson brings to life the story of Maeve, the raven queen, who is as fierce as she is captivating. She was born to be a pawn, used to secure her father's royal hold on his land. She was forced to advance his will through marriage—her own desires always thwarted. But free-spirited Maeve will no longer endure the schemes of her latest husband, Conor, the cunning ruler of Ulster. And when her father's death puts her homeland at the mercy of its greedy lords and Conor's forces, Maeve knows she must at last come into her own power to save it. With secret skill and daring, Maeve proves herself the equal of any warrior on the battlefield. With intelligence and stealth, she learns the strategies—and sacrifices—of ruling a kingdom through treacherous alliances. And to draw on the dangerous magic of her country's oldest gods, Maeve seeks out the wandering druid Ruan, whose unexpected passion and strange connection to the worlds of spirit imperil everything Maeve thought true about herself—and put her at war with both her duty and her fate.

Dairy Queen Jan 04 2023 After spending her summer running the family farm and training the quarterback for her school's rival football team, sixteen-year-old D.J. decides to go out for the sport herself, not anticipating the reactions of those around her. Reprint. 100,000 first printing.

The Faith of Queen Elizabeth Mar 26 2022 Discover the inspiring spiritual legacy of Queen Elizabeth II, the longest reigning monarch in British history. Sharing a behind-the-scenes glimpse into the life of this notoriously private monarch, *The Faith of Queen Elizabeth* features intimate stories and inspiring reflections on the personal faith behind the Crown. With testimonies from historic figures such as Winston Churchill, Billy Graham, Mother Teresa, and Margaret Thatcher, this magnificent tribute explores the faith of the world's most famous Queen - and the King she serves. Icon, matriarch, reformer, and the longest-reigning monarch in British history - Queen Elizabeth II intrigues millions around the world with her royal heritage, inspirational character, and profound faith, especially as depicted in award-winning films such as *The Queen* and the wildly popular Netflix series *The Crown*. With a reign that bridges the twentieth and twenty-first centuries, Queen Elizabeth has become the definition of stability, faithfulness, and dignity. Fearlessly, she led her country into the modern age with a balance of historical tradition and entrepreneurial initiative, public service and private devotion. Nearing seven decades on the throne, the Queen has faced many personal and public storms - an early and surprising ascension to the throne, the dissolution of the British Empire, political upheavals, international crises, national tragedies, family deaths, and the tabloid travails of her children and grandchildren. But throughout all her trials and triumphs, Her Majesty credits her personal faith in Jesus Christ as the steadying anchor to her life and reign. In this spiritual biography, Dudley Delffs unpacks the secret behind Her Majesty's personal devotion and public service, giving you a fuller, richer picture of the woman who's led a nation with unwavering faith and resolve.
