Summoning the Night The Dust That Falls from Dreams The Olmsted Story Arcadia Arcadia Borderline Beacon Falls

Fertile soil and abundant streams at former Indian cross trails provided ideal farmland around a prominent 18th-century-era church that gave the town of Falls Church its name. The first known home, Big Chimneys, was built around 1699. A mere seven miles from downtown Washington, DC, Falls Church sat close enough to witness the nation's capital burn during the War of 1812. Once the largest farm population center in what was then Fairfax County, Falls Church has slowly evolved over the

past three centuries. The town has seen the coming of Revolutionary independence and was transformed by the Civil War. Since 1900, residents have experienced the growth of the post-World War II suburban ideal and felt the impact of the civil rights movement, ultimately developing Falls Church into a unique town with established religious, educational, and civic institutions amidst urban sprawl. The falls of the Big Sioux River were formed 14,000 years ago, at the end of the last ice age, as melting ice eroded a channel down to the bedrock, revealing an abundance of Sioux quartzite. The power and beauty of the falls have attracted people to the area ever since, while Sioux quartzite has been used to construct many of the area's buildings. Incorporated as a city in 1856, Sioux Falls has steadily grown from a population of 17 at the time of establishment to 153,888 as of the 2010 census. As a natural part of that growth, change dictates that the old and worn out should make way for the new and shiny. Lest these things be

forever forgotten, this book strives to point out what has been lost, what has been saved, and what can be found if one knows where to look. On September 7, 1693, in exchange for 10 pounds and a barrel of cider, a former Indian slave named Toby was given a tract of land that became much of present-day Beacon Falls. Included was the scenic valley north of town, where in 1876 the Naugatuck Railroad established High Rock Grove resort. Boating was popular at the dam, whose water powered the local woolen mill. As the popularity of men's shawls declined, the need for rubber footwear grew. So in 1898, the woolen mill transformed into a rubber shoe factory that made Beacon Falls and its Top Notch brand household names. Success motivated the Beacon Falls Rubber Shoe Company to hire the famed Olmsted Brothers in 1915 to create a planned neighborhood on the hill behind the factory. Beacon Falls also chronicles the story of the people--the farmers, the factory workers, the

shopkeepers, the teachers, and most of all the families who built this community and have called Beacon Falls home. Despite inciting their families' wrath and putting themselves in grave danger, rival clan leaders Rosa Alcantara and Alessandro Carnevale refuse to give up on their love for each other. But when the young couple suffers a deadly attack from an unknown enemy, it soon becomes clear their strong feelings can't keep the past from haunting them. On the run from their adversaries and searching for answers, Rosa and Alessandro begin to unravel the secret behind the conspiracy to keep them apart: an ancient prophecy that predicted the destruction of all Arcadia if the two rival dynasties ever married and bore children. And now, they must outrun those who think they're better off dead. With Arcadian assassins trying to kill them at every turn, a group of hybrid beasts thirsty for their blood, and the ruler of all Arcadia desperate to find them, Rosa and Alessandro must find out the truth behind

Arcadia once and for all. But will it be the key to unlocking their freedom and future together, or the final step in bringing them to their knees? From debut author Kit Mayquist, a propulsive and atmospheric modern gothic with all the splendor of *The Great Gatsby* . . . and all the secrets, lies, and darkness that opulence can hide Med school dropout Lena is desperate for a job, any job, to help her parents, who are approaching bankruptcy after her father was injured and laid off nearly simultaneously. So when she is offered a position, against all odds, working for one of Boston's most elite families, the illustrious and secretive Verdeaus, she knows she must accept—no matter how bizarre the interview or how vague the job description. By day, she is assistant to the family doctor and his charge, Jonathan, the sickly, poetic, drunken heir to the family empire, who is as difficult as his illness is mysterious. By night, Lena discovers the more sinister side of the family, as she works overtime at their lavish parties,

helping to hide their self-destructive tendencies . . . and trying not to fall for Jonathan's alluring sister, Audrey. But when she stumbles upon the knowledge that the Verdeau patriarch is the one responsible for the ruin of her own family, Lena vows to get revenge—a poison-filled quest that leads her further into this hedonistic world than she ever bargained for, forcing her to decide how much, and whom, she's willing to sacrifice for payback. The perfect next read for fans of Mexican Gothic, *Tripping Arcadia* is a page-turning and shocking tale with an unforgettable protagonist that explores family legacy and inheritance, the sacrifices we must make to get by in today's world, and the intoxicating, dangerous power of wealth. An English-language debut that reveals and subverts contemporary conceptions of normative sexuality, capitalist culture, and environmental degradation. Winner, Prix du Livre Inter, 2019 Shortlisted for the Prix Femina, Prix Medicis, Prix de Flore Longlisted for the Prix France-Culture, Prix Wepler Farah

moves into Liberty House—an arcadia, a community in harmony with nature—at the tender age of six, with her family. The commune's spiritual leader, Arcady, preaches equality, non-violence, anti-speciesism, free love, and uninhibited desire for all, regardless of gender, age, looks, or ability. At fifteen, Farah learns she is intersex, and begins to go beyond the confines of gender, as she explores the arc of her own desires. What, Farah asks, is a man or a woman? What does it mean to be part of a community? What is utopia when there are refugees nearby seeking shelter who cannot enter? Emmanuelle Bayamack-Tam delivers a magisterial novel, both a celebration and a critique of innocence in the contemporary world. In the third installment of *The Vampire Hunter's Daughter*, Chloe Kallistrate's first Christmas without her mother is difficult. As part of the grieving process she visits her mother's grave for the first time and there, she is visited by Sostrate, the immortal demi-god from whom she

is descended. As she comes of age, Chloe is changing and developing the gifts unique to her heritage. She discovers a new power she must learn to use and control, as if being a teenager wasn't difficult enough. During this emotionally chaotic time in her life, the community is attacked, her grandfather injured and hunters are killed. After almost losing her only remaining family, Chloe questions whether her continued presence in the community will sacrifice everyone she has come to care about. Something is wrong in Arcadia Falls. The first boy vanished without a trace and with just as little fanfare. Even the second disappearance amounted to little more than a few passing remarks and another name skipped over in the classroom roll call. As far as Riverside High and the rest of Arcadia Falls were concerned, it seemed, it was as if nothing had happened at all. Tyler John was no different. He had barely given the matter a second thought, but then a wrong turn sent him on a path straight into the dark heart of the

mystery, and the deeper he peered into the shadows, the more he realized that something was looking back. Now, the hunter has become the hunted and time is running out. With nowhere else to turn, it's up to Tyler and his handful of friends to stop the evil thing that's been preying on Arcadia Falls, and if they fail, they might just be the next ones to vanish. Yes, something is desperately wrong in Arcadia Falls, and it's like nothing anyone has ever seen before. *The Vampire Hunter's Daughter* is the first in a serialized novel by Jennifer Malone Wright. Fourteen-year-old Chloe witnesses her mother's murder at the hands of a vampire. Before the vampire can kidnap her, there is an unexpected rescue by a group of vampire hunters. Overwhelmed by the feeling of safety, Chloe passes out and they whisk her away to their small community. When Chloe wakes, she comes face to face with the only other living relative, besides her mother, whom she has ever met: her grandfather. Chloe's mother kept her

hidden from the family; now, Chloe tries to unveil the family secrets. Through her grandfather, she learns her mother was a vampire hunter. In fact, her entire family is descended from the powerful bloodlines of vampire hunters. Chloe agrees to join the family she has never known for one reason only: Chloe vows to kill the vampire responsible for her mother's murder. With vengeance in her soul, Chloe is even more determined to follow through on her vow when she discovers the true identity of her enemy and how he is connected to her. *The Vampire Hunter's Daughter* is the first in a serialized novel by Jennifer Malone Wright. **BONUS:** This edition contains an Arcadia Falls discussion guide. Financial straits and a desire for a fresh start take recently widowed Meg Rosenthal and her aloof teenage daughter, Sally, to Arcadia Falls, a tucked-away hamlet in upstate New York where Meg has accepted a teaching position at a boarding school. The creaky, neglected cottage they'll be calling home

feels like an ill omen, but Meg is determined to make the best of it. Then a shocking crisis strikes: During Arcadia's First Night bonfire, one of Meg's folklore students plunges to her death in a campus gorge. Sheriff Callum Reade finds the presumed accident suspicious, but then, he is a man with a dark past himself. Meg is unnerved by Reade's interest in the girl's death, and as long-buried secrets emerge, she must face down her own demons and the danger threatening to envelop Sally. As the past clings tight to the present, the shadows, as if in a terrifying fairy tale, grow longer and deadlier. "In this final installment, Ryan has brought all her characters full circle in a story that will sweep you up, and not let go--not even after the last page. She [Ryan] has seamlessly blended action, romance, paranormal elements alongside a truly tight plot into one helluva story. This is one book (and series) not to be missed!" Shannon Mayer, author of the Rylee Adamson Series and the Nevermore Trilogy *Some gifts*

just aren't worth it. Arcadia is sick of being used and abused for her psychic gifts. It was bad enough to be exploited by a madman, but when the users are closer to home, she must decide how far she is willing to go for others, and when she needs to watch out for herself. Tucked into the southwestern corner of Cuyahoga County, Olmsted Falls and Olmsted Township are steeped in rich Ohio history. Dating back to the late eighteenth century, the two communities grew to become a place of idyllic beauty and fascinating stories. Uncover the myth of the infamous letter "a" in the Olmsted name, and learn how Olmsted became a leader in public education in Cuyahoga County. Weather battles over saloons and attempts to annex all or part of Olmsted Township to neighboring communities, and survive Rocky River floods that destroyed bridges, dams, mills and factories. Join Bruce Banks and Jim Wallace as they provide a captivating account of these two historical communities. With its storied history and

inspiring geology, Ruby Falls is a chosen destination for half a million adventure seekers from around the world each year. Found in Chattanooga, Tennessee, the iconic towering waterfall, irreplaceable cave formations, and sweeping views instill wonder as much today as when the cave opened to the public in 1930. The attraction's endearing longevity began in 1928 with its accidental discovery by cave enthusiast Leo Lambert. While excavating an elevator shaft to reach another Lookout Mountain cave, his work crew felt a gust of air when the shaft intersected an opening concealed by limestone, 260 feet belowground. Curious where the opening would lead, Lambert scrambled through the void and began what would become a 17-hour journey, 1,120 feet underground, through an undiscovered cave with a magnificent waterfall. Soon after, Lambert decided to name the waterfall in honor of his wife, Ruby. Ruby Falls has long been considered the tallest underground waterfall open to the public in the

United States. NEW YORK TIMES BESTSELLER
"Timeless and vast... The raw beauty of Ms. Groff's prose is one of the best things about Arcadia. But it is by no means this book's only kind of splendor."---Janet Maslin, The New York Times "Even the most incidental details vibrate with life Arcadia wends a harrowing path back to a fragile, lovely place you can believe in."--- Ron Charles, The Washington Post In the fields of western New York State in the 1970s, a few dozen idealists set out to live off the land, founding a commune centered on the grounds of a decaying mansion called Arcadia House. Arcadia follows this romantic utopian dream from its hopeful start through its heyday. Arcadia's inhabitants include Handy, the charismatic leader; his wife, Astrid, a midwife; Abe, a master carpenter; Hannah, a baker and historian; and Abe and Hannah's only child, Bit. While Arcadia rises and falls, Bit, too, ages and changes. He falls in love with Helle, Handy's lovely, troubled daughter. And eventually he

must face the world beyond Arcadia. In Arcadia, Groff displays her literary gifts to stunning effect. "Fascinating."---People (****) "It's not possible to write any better without showing off."---Richard Russo, author of the Pulitzer Prize-winning novel Empire Falls "Dazzling."--- Vogue Falls Church, Virginia, was settled in 1699 and named for its first church. Located near Washington, D.C., this rural farming community grew into an important crossroads during the 19th century. Prior to World War II, its most significant growth occurred during the Victorian era. The area and lifestyle of its residents were significantly impacted by the Northern migration into the South for better farmland; the Civil War; the expansion of railway service; the developing role as a suburb of Washington; and military buildup during the Spanish-American War. This collection of vintage images portrays the people, places, and events that are central to the Victorian heritage of Falls Church. At his London home, John Stone falls

out of a window to his death. A financier and arms dealer, Stone was a man so wealthy that he was able to manipulate markets, industries, and indeed entire countries and continents. Did he jump, was he pushed, or was it merely a tragic accident? His alluring and enigmatic widow hires a young crime reporter to investigate. The story moves backward in time—from London in 1909 to Paris in 1890 and finally to Venice in 1867—and the attempts to uncover the truth play out against the backdrop of the evolution of high-stakes international finance, Europe's first great age of espionage, and the start of the twentieth century's arms race. Stone's Fall is a tale of love and frailty, as much as it is of high finance and skulduggery. The mixture, then, as now, is an often fatal combination. A renegade magician and owner of a tiki bar that caters to Earthbound demons, Arcadia Bell must harness her potent new Moonchild powers when a vengeful kidnapper, targeting the children of her patrons, paralyzes the community as Halloween

approaches. Original. 75,000 first printing. A war is brewing between the hunters and the vampires and Chloe is determined to strike against the vampires before they have a chance to attack. Unfortunately, her plan goes all wrong and results in a massive takeover by the undead. This group of unlikely heroes have the power of elements, magic and strength on their side. They have even recruited one of the original vampires to help aid in their mission. But will it be enough? Will society ever go back to normal now that the world knows that vampires truly exist? The Arcadia Falls Chronicles is the continuation of The Vampire Hunter's Daughter. Following the format of The Vampire Hunter's Daughter, The Arcadia Falls Chronicles is serialized into several novella-length stories. An account of the significant though gradual, uneven, disconnected, ad hoc, and pragmatic innovations in global financial governance and developmental finance induced by the global financial crisis. In When Things

Don't Fall Apart, Ilene Grabel challenges the dominant view that the global financial crisis had little effect on global financial governance and developmental finance. Most observers discount all but grand, systemic ruptures in institutions and policy. Grabel argues instead that the global crisis induced inconsistent and ad hoc discontinuities in global financial governance and developmental finance that are now having profound effects on emerging market and developing economies. Grabel's chief normative claim is that the resulting incoherence in global financial governance is productive rather than debilitating. In the age of productive incoherence, a more complex, dense, fragmented, and pluripolar form of global financial governance is expanding possibilities for policy and institutional experimentation, policy space for economic and human development, financial stability and resilience, and financial inclusion. Grabel draws on key theoretical commitments of Albert Hirschman to

cement the case for the productivity of incoherence. Inspired by Hirschman, Grabel demonstrates that meaningful change often emerges from disconnected, erratic, experimental, and inconsistent adjustments in institutions and policies as actors pragmatically manage in an evolving world. Grabel substantiates her claims with empirically rich case studies that explore the effects of recent crises on networks of financial governance (such as the G-20); transformations within the IMF; institutional innovations in liquidity support and project finance from the national to the transregional levels; and the "rebranding" of capital controls. Grabel concludes with a careful examination of the opportunities and risks associated with the evolutionary transformations underway. A modern mystery born in a timeless Tasmanian forest from Australia's favourite storyteller, with new novel *Before the Storm* out now. In the 1930s, in an isolated and beautiful corner of southern Tasmania, a new young wife

arrives at her husband's secluded property - Arcadia. Stella, an artist, falls in love with Arcadia's wild, ancient forest. And when an unknown predator strikes, she is saved by an unusual protector... Two generations later, Stella's granddaughter, Sally, and her best friend, Jessica, stumble over Stella's secret life in the forest and find themselves threatened in turn. What starts as a girls' adventurous road trip becomes a hunt for the story of the past, to solve the present, and save their future... A breathtaking Tasmanian tale of ancient forests; of art and science; of love and, above all, of friendship. "A cynical, paraplegic screenwriter with borderline personality disorder gets recruited to join a secret organization that oversees relations between Hollywood and Fairyland in the first book of a new urban fantasy series from debut author Mishell Baker"-Amazon.com. The week before her graduation, in that sheltered wonderland, three lives were taken, all victims of suicide. Only Jane was left to carry the burden of a mystery that has stayed hidden in the depths of Heart Lake for more than two decades. Now Jane has returned to the school as a Latin teacher, recently separated and hoping to make a fresh start with her young daughter. But ominous messages from the past dredge up forgotten memories. And young, troubled girls are beginning to die again—as piece by piece the shattering truth slowly floats to the surface. . . . With an industrial foundation laid down more than 200 years ago, Beaver Falls quickly secured a role in history as one of the most well-

established manufacturing towns in western Pennsylvania. Further recognition as a "Pittsburgh in miniature" soon followed as the town's commercial base grew and prospered during the halcyon days of the nineteenth century. Early residents strove to build the town into a self-supporting community committed to family values, and Beaver Falls continued to grow and thrive after the mills and factories gave way to the social experiments of the Harmony Society and the founding of Geneva College. *Beaver Falls: Gem of Beaver County* devotes a chapter to local football legend Joe Namath's first season of greatness, complete with play-by-play details of the exciting Friday night high school games. "Broadway Joe's" early team picture is here, along with dozens more rare and compelling, never-before-published images. Readers will also find telling narratives of the Big Snow of 1950 and the Great Race of 1908, with more than 100 vintage photographs and maps detailing the gripping stories and

unique memories chronicled here. Long before Jacob Leinenkugel, Edward Rutledge, and William Irvine were associated with Chippewa Falls, Native American people hunted, fished, and gathered the abundant food supplies of the Chippewa area. Through the medium of historic photographs, this book captures the cultural, economic, political, and social history of Chippewa Falls, Wisconsin, from the mid-1800s to the present day. These pages bring to life the people, events, and industries which helped to shape and transform Chippewa Falls. With more than 200 vintage images, Chippewa Falls, Wisconsin includes the largest sawmill in the world under one roof, some of the earliest residents of the community, along with century-old nationally renowned businesses. There was rarely a dull moment in the development of this community's downtown. The Chippewa Falls Main Street program, operating since 1989, has created a grass roots volunteer driven movement to revitalize downtown Chippewa

Falls. Over the years, the downtown has undergone renovation projects and investments totaling more than \$57 million. The 1950s and 1960s were a time of historic growth, when over 20,000 new residents chose to make Sioux Falls their home. In 1981, Citibank came to Sioux Falls, bringing many more people to the city. Since the start of the 21st century, health care has been the job sector employing the most people in Sioux Falls, creating jobs and bringing many new medical specialties to the area. New entertainment, restaurants, parks, and shopping have improved the quality of life for locals. As the population has increased, Sioux Falls has proven it can keep up with demand. From the acclaimed author of Corelli's Mandolin, here is a sumptuous, sweeping, powerfully moving new novel about a British family whose lives and loves are indelibly shaped by the horrors of World War I and the hopes for its aftermath. In the brief golden years of the Edwardian era the McCosh sisters—Christabel, Otilie, Rosie and

Sophie—grow up in an idyllic household in the countryside south of London. On one side, their neighbors are the proper Pendennis family, recently arrived from Baltimore, whose close-in-age boys—Sidney, Albert and Ashbridge—shake their father’s hand at breakfast and address him as “sir.” On the other side is the Pitt family: a “resolutely French” mother, a former navy captain father, and two brothers, Archie and Daniel, who are clearly “going to grow up into a pair of daredevils and adventurers.” In childhood this band is inseparable, but the days of careless camaraderie are brought to an abrupt halt by the outbreak of The Great War, in which everyone will play a part. All three Pendennis brothers fight in the hellish trenches at the front; Daniel Pitt becomes an ace fighter pilot with his daredevil tendencies intact; Rosie and Ottilie McCosh volunteer in the hospitals, where women serve with as much passion and nearly as much hardship as the men at the front; Christabel McCosh becomes one of the squad of

photographers sending “snaps” of their loved ones at home to the soldiers; and Sophie McCosh drives for the RAF in France. In the aftermath of the war, as “the universal joy and relief were beginning to be tempered by . . . an atmosphere of uncertainty,” everyone must contend with the modern world that is slowly emerging from the ashes of the old. A wholly immersive novel about a particular time and place, *The Dust That Falls from Dreams* also illuminates the timeless ways in which men and women carry profound loss alongside indelible hope. This play takes readers back and forth between the 19th and 20th centuries. Set in a large country house in Derbyshire, a cast of characters from each century play out their respective dramas. From the author of the international best seller *An Instance of the Fingerpost*, *Arcadia* is an astonishing work of imagination. In Cold War England, Professor Henry Lytten, having renounced a career in espionage, is writing a fantasy novel that dares

to imagine a world less fraught than his own. He finds an unlikely confidante in Rosie, an inquisitive young neighbor who, while chasing after Lytten's cat one day, stumbles through a doorway in his cellar and into a stunning and unfamiliar bucolic landscape—remarkably like the fantasy world Lytten is writing about. There she meets a young boy named Jay who is about to embark on a journey that will change both their lives. Elsewhere, in a dystopian society where progress is controlled by a corrupt ruling elite, the brilliant scientist Angela Meerson has discovered the potential of a powerful new machine. When the authorities come knocking, she will make an important decision—one that will reverberate through all these different lives and worlds. In the fourth installment of *The Vampire Hunter's Daughter*, Chloe and the other vampire hunters are suffering the aftermath of the vampire attack on their community. Many hunters were injured, and loved ones were murdered. More than that, there is a loss of

security and peace since the hunters' safe haven was breached and invaded. Chloe and Drew struggle just to get along and understand each other without Luke there to guide them. During this period of uncertainty, Chloe and Drew both try to live a normal life as teenagers by going to the New Year's bash, she with Gavin and Drew with Christina, Chloe's recent rival. Chloe is, once again, reminded that nothing is 'normal' in her life any more, when she begins to show signs she's developing supernatural gifts from her father's bloodline, too. The bash does little to lift her feelings of guilt and responsibility for the attack on the community, because she knows it's her presence there that caused the vampires to attack the hunters. This attack nearly took the life of her only remaining family member from her mother's side. She doesn't want to put anyone else she loves at risk. Before she has time to put any plans into action, a surprise phone call from someone unexpected sets the wheels in motion. Chloe now knows what she

must do... Presents a pictorial history of the tourist industry, buildings, structures, natural landmarks, and residents of Niagara Falls, New York. Following the brutal deaths of her sister and aunt, Rosa Alcantara has become what she never thought possible: the very rich and very powerful head of the Alcantara clan. Saddled with this immense responsibility, Rosa must now conduct all business matters—legitimate and not—while negotiating among the greedy, bloodthirsty members of her own family. Not to mention convincing everyone that her blossoming relationship with enemy Alessandro Carnevale won't put the family business in danger. But loving Alessandro comes at a price. As Rosa continues to fall for him, she discovers the dark secrets of his family's dealings and how they intersect with her own painful past. She wants to believe she can trust Alessandro, but they're so different: Alcantara and Carnevale, snake and panther. How can she love someone whose family wants her dead? When Rosa and

Alessandro uncover an ancient conspiracy intent on destroying both clans, they will do anything to stop it. Racing to put the pieces together, evading their relatives' murderous feud, and learning what it means to control the most influential families in all of Sicily—the two teens must risk everything to love each other and survive. Romeo and Juliet meets The Godfather amid an exotic Sicilian setting—filled with shape-shifters and mortal danger—in this thrilling conclusion to the first YA trilogy by bestselling German author Kai Meyer. Everyone close to mafia clan leader Rosa Alcantara is dead. Everything she's ever known about her life is a lie. Everywhere she turns there is a trap. As the clock ticks down to their own destruction, it's a race against time for young lovers Rosa and Alessandro as they evade murderers, track down clues, and avoid a showdown with the man who wants them dead. The pair must find out the truth behind Arcadia once and for all—but will it be the key to unlocking their freedom and future

together, or the final step in bringing them to their knees? The sixth installment of *The Vampire Hunter's Daughter* begins right where the fifth part left off, with Chloe and her friends running for their lives as they escape the dungeons below Trevor's home. Chloe lights their way through the darkness, but they emerge into a bloody battle with her vampire nemesis and his minions. Even though Chloe has a battle on her hands, she is still a teenager and thinking about teenager things, like which of the handsome hunter boys she will choose. This installment will leave you wanting more as Chloe and the other vampire hunter's take their final stand with Trevor. Who will walk away alive, who will die, and where will they go from there? In the fifth installment of *The Vampire Hunter's Daughter*, Chloe has been forced to make her decision to leave the community earlier than anticipated. To keep her family safe, she leaves with the vampire Trevor, who she had previously discovered was her father and the man

responsible for her mother's murder. Chloe is now in an entirely new element. She is not surrounded by vampire hunters anymore, but living with one of those which vampire hunters strive to kill. Living with Trevor, Chloe's only human contact is the housekeeper and the tutor Trevor hired to teach her. After nearly a year of being a prisoner in Trevor's home, Chloe begins to believe it may not be so bad. That is, until she discovers Trevor's true intentions for her, the terrible plan he put into motion before she was even born. Sheboygan Falls, Wisconsin, originally platted as the village of "Rochester," took shape in the late 1830s and 1840s. Settled by Yankee businessmen from the East, "Sheboygan at the Falls" was strong from the beginning, surviving even the national financial panic of 1837. As the village grew up along the Sheboygan River, this reliable source of water ensured rapid growth of industry and population and the accompanying prosperity. A city of Greek Revival and Cream City brick

architecture, Sheboygan Falls boasts two districts listed on the National Historic Register. The Cole Historic District is the largest Greek Revival District west of the East Coast. Its five buildings were built between 1837 and 1846. The largely original downtown business district of the city includes buildings that once housed a tannery, a cheese bandage factory, a rake factory, a woolen mill, a Temperance Hall for teetotalers, and a Free Hall for women. Financial straits and a desire for a fresh start take recently widowed Meg Rosenthal and her aloof teenage daughter, Sally, to Arcadia Falls, a tucked-away hamlet in upstate New York where Meg has accepted a teaching position at a boarding school. The creaky, neglected cottage

they'll be calling home feels like an ill omen, but Meg is determined to make the best of it. Then a shocking crisis strikes: During Arcadia's First Night bonfire, one of Meg's folklore students plunges to her death in a campus gorge. Sheriff Callum Reade finds the presumed accident suspicious, but then, he is a man with a dark past himself. Meg is unnerved by Reade's interest in the girl's death, and as long-buried secrets emerge, she must face down her own demons and the danger threatening to envelop Sally. As the past clings tight to the present, the shadows, as if in a terrifying fairy tale, grow longer and deadlier.
