The Taliban Shuffle May 15 2021 In this darkly comic and unsparing memoir that "tells us more about the Afghan debacle than any foreign policy briefing" (The Seattle Times), the famed investigative journalist uses her wry, incisive voice to expose the absurdities and tragedies of the "forgotten war," finding humor and humanity amid the rubble and heartbreak. When Kim Barker first arrived in Kabul as a journalist in 2002, she barely owned a passport, spoke only English and had little idea how to do the "Taliban Shuffle" between Afghanistan and Pakistan. No matter—her stories about Islamic militants and shaky reconstruction were soon overshadowed by the bigger news in Iraq. But as she delved deeper into Pakistan and Afghanistan, her love for the countries grew, along with her fear for their future stability.

Whiskey Tango Foxtrot Aug 25 2019 Whiskey Tango Foxtrot (Aces High MC - Dakotas - Book 2) (Second edition - Sept. 2022) Liza A tattoo artist and biker named Tango came to save the day when my brother put my life in danger again. Stupid name. Sexy biker. My perpetually soaked panties were all the evidence anyone needed that Tango could dance all over my body any damn time he wanted. Unfortunately for me, he seemed to be in a weird relationship with his buddies Whiskey, Fox, and their girl Amy. No way was I signing on to be the lettuce in that screwed up sexual sandwich. Nope. Nope. Nope. I might need protection from an entire MC, but I did not need to share my man. Tango From the moment I laid eyes on her, Liza was all that I could see. Protecting her became a personal matter instead of just another job. Loving her, that was something that couldn't be helped. If only my past, and the screwed-up relationship my friends attempted to drag me into, hadn't become a problem. Alpha Foxtrot Jan 03 2023 Shane Lowry is a lot of things. Funny. Loyal. BIG. The man is a mountain that stands between the L.A. Kodiak's quarterback and an angry defensive line looking to lay him out. He takes hits for a living and he gives them even harder. He throws down on the field. In the bars. The bedroom. With a killer smile and big baby blues, women can't resist him. And why would they want to? The man is hot AF. Just ask Sutton Roe. Sutton is an ex-Broadway star with more credits to her name than most people have teeth. She started dancing when she was five, headlining when she was

six, and retired from the stage at only seventeen. A fierce competitor, she's been a Professional Dancer on the hit TV series *Dance the Night Away* for five seasons. Last year was her first win and she's looking for a repeat. All she needs is a promising partner. What she gets is Shane Lowry and a whole lot of trouble. Big, sexy, smiling trouble...Shane's irreverent attitude toward the competition causes friction between the two from the start, but their scores don't lie - the audience loves him. And it's not long before Sutton starts to understand why. But she's weary. She was taught from a young age that men are dangerous. Maybe Shane will be different. Maybe he won't be. It's a chance Sutton's not sure she's ready to take. Even for a man with moves like Lowry.
