*The Next Generation Companion* Oct 01 2022 First published in 1992 and last revised in 1995, this is a fitting record of a show that changed the rules by which television was made. The first adventure drama series ever to run to seven seasons and more than 170 episodes, Star Trek: The Next Generation broke audience records wherever it was shown and remains the most widely viewed and consistently popular of all the Star Trek series. This new edition of the series companion has been brought bang up to date to include not only all seven years of the TV series but also all four films which have featured the Next Generation crew. In addition to Generations (1994), we now have full details of First Contact (1997), Insurrection (1998) and the very latest incarnation, Nemesis (2002). A positive feast of information, the Companion includes complete plot summaries and credits for each individual episode and film. There are fascinating behind-the-scenes glimpses into how each one was made, and in-depth analysis really brings The Next Generation universe to life. Illustrated throughout with more than 150 black and white photographs, this is a truly invaluable reference guide.

**The Space Between** Sep 07 2020 Celebrate the 20th Anniversary of Star Trek: The Next Generation with this all-new relaunch of the Star Trek franchise in comics. [A Field Guide to the Aliens of Star Trek: The Next Generation](#) Oct 09 2020 ONE KID'S CONTINUING MISSION: CATALOG ALL ALIEN LIFE FROM STAR TREK: THE NEXT GENERATION. These are the voyages of Joshua Chapman. In 1990 at 11 years old, he wrote a field guide to the alien races of Star Trek: The Next Generation for school. He continued the project through his awkward teen years and

into reluctant adulthood. Boldly go from season to season and learn about Acamarians to Zibaliens. Explore strange new feelings, like Joshua's obsession with Data, and Joshua's angst toward his mother, who's more terrifying than a Yridian's face. Engage... with humanity at its weirdest. "One of my favorite artistic discoveries of the last few years, in any medium. It's funny, touching, wholly convincing, and even profound—the kind of book you'll want to give to every misfit adolescent you now know or once did, which is to say everyone who was ever worth knowing." -Kevin Brockmeier, O. Henry Prize winning author of *Things That Fall from the Sky*

*Star Trek: Picard: The Art and Making of the Series* Jan 30 2020 An in-depth look at the making of *Star Trek: Picard*, a three-season spin-off of *Star Trek: The Next Generation*, and a must-have for all *Star Trek* fans. *Star Trek: Picard* stars Patrick Stewart, reprising his role as Jean-Luc Picard from *Star Trek: The Next Generation*. The book explores each of the three separate season-long narratives, which tell the story of Picard in later years, as he is brought out of retirement on his family chateau to face old enemies such as the Borg, take command of a new starship, and ultimately reconcile with his past. New characters such as Doctor Jurati (Alison Pill), Cristóbal Rios (Santiago Cabrera), Soji (Isa Briones) and Elnor (Evan Evagora) feature alongside appearances by old enemies and friends, such as Will Riker (Jonathan Frakes), Deanna Troi (Marina Sirtis), the Borg Queen (Annie Wersching), Guinan (Whoopi Goldberg), Data (Brent Spiner), and Q (John de Lancie). Season 3 sees a full-scale *Next Generation* reunion, featuring Worf (Michael Dorn), Dr. Beverley Crusher (Gates McFadden), and Geordi La Forge (LeVar Burton). Alongside interviews with showrunners, writers, cast, and crew, discussing concepts and character arcs, "Spotlight" features explore makeup, costumes, art, and visual effects. A final section, *Bon Voyage Picard*, features Patrick Stewart's reflections on the much-beloved character he has played from its original incarnation in

Star Trek: The Next Generation through to its final satisfying conclusion. This beautifully illustrated hardback, featuring behind-the-scenes and on-set photography, and a range of production art, is an in-depth exploration of a hugely popular and seminal Star Trek character.

Vendetta May 28 2022 The Borg -- half organic being and half machine, they are the most feared race in the known galaxy. In their relentless quest for technological perfection, they have destroyed entire star systems, enslaved countless peoples, and, in a single brutal attack, decimated Starfleet's mightiest vessels. Only a final desperate gambit by Captain Picard and the U.S.S. Enterprise™ crew stopped the Borg from conquering the entire Federation. And now they have returned. VENDETTA In the bestselling tradition of Metamorphosis and The Lost Years, here is the newest Star Trek® Giant Novel, a story of vengeance and obsession. Answering a distress call from a planet under attack by the Borg, the U.S.S. Enterprise crew meets Delcara, the lone survivor of an alien race the Borg obliterated. Blinded by hatred, Delcara seeks the ultimate revenge -- the complete destruction of her race's executioners. But the U.S.S. Enterprise crew learns that Delcara's vengeance carries a terrible price, for once unleashed, the destructive force she commands will annihilate not only the Borg, but countless innocents as well...

Creating Star Trek The Next Generation Dec 03 2022 A brand-new Star Trek book series will delve into every episode of Star Trek: The Next Generation, all 178 installments, season by season. Hero Collector is making it so, introducing a series of seven volumes that will cover each season of The Next Generation, with in-depth looks at all 178 episodes. Each volume serves as a standalone,

building to a valuable personal collection. Author Matt McAllister shines a light on the showrunners' ambitions, the casting, the writing, the directing, the actors' thoughts and approaches, and more, revealing how The Next Generation began - and blossomed into one of the best-loved science-fiction television series of all time. The initial volume of *Creating Star Trek: The Next Generation* focuses on season 1, from the creation of the show to the early adventures of Captain Jean-Luc Picard and crew to how Patrick Stewart, Jonathan Frakes, Brent Spiner, Marina Sirtis, LeVar Burton, Gates McFadden, Michael Dorn, Wil Wheaton, and Denise Crosby became the new faces of Star Trek - and revitalized the franchise.

**Star Trek - The Next Generation Q Who?** Dec 31 2019 "Q Who" is the 16th episode of the second season of the American science fiction television series *Star Trek: The Next Generation*. ... In this episode, the omnipotent entity known as "Q" (John de Lancie) arrives on the Enterprise and decides that Captain Jean-Luc Picard (Patrick Stewart) is ignorant and overconfident.

All Good Things Mar 02 2020 Seven years ago, Captain Jean-Luc Picard first faced the judgment of the Q Continuum -- a race of beings with God-like powers over time and space who presumed to gauge humanity's fitness to exist in the galaxy. Seven years ago they suspended judgment, but now a decision has been reached: The human race will be eliminated, not only in the present, but throughout time. Humanity will never have existed at all. The only chance to save mankind lies with Captain Picard. An old enemy has granted him the power to revisit his life as it was seven years before, and to experience his life twenty-five years in the future. With the help of friendships that span time and space, Picard struggles to defeat the plans of the Q Continuum. But even as he fights to save the human race from total extinction, he has been set up to be the unwitting agent of mankind's destruction. In an effort to save humanity, Picard must sacrifice himself and all those he

commands and if their sacrifice fails all mankind is doomed.

**Enigma Tales** Aug 26 2019 From the New York Times bestselling author of *The Fall: The Crimson Shadow* comes a compelling and suspenseful tale of politics and power set in the universe of *Star Trek: Deep Space Nine*. Elim Garak has ascended to Castellan of the Cardassian Union...but despite his soaring popularity, the imminent publication of a report exposing his people's war crimes during the occupation on Bajor looks likely to set the military against him. Into this tense situation come Dr. Katherine Pulaski—visiting Cardassia Prime to accept an award on behalf of the team that solved the Andorian genetic crisis—and Dr. Peter Alden, formerly of Starfleet Intelligence. The two soon find themselves at odds with Garak and embroiled in the politics of the prestigious University of the Union, where a new head is about to be appointed. Among the front-runners is one of Cardassia's most respected public figures: Professor Natima Lang. But the discovery of a hidden archive from the last years before the Dominion War could destroy Lang's reputation. As Pulaski and Alden become drawn into a deadly game to exonerate Lang, their confrontation escalates with Castellan Garak—a conflicted leader treading a fine line between the bright hopes for Cardassia's future and the dark secrets still buried in its past...™, ®, & © 2016 CBS Studios, Inc. *Star Trek* and related marks are trademarks of CBS Studios, Inc. *Star Trek FAQ 2.0 (Unofficial and Unauthorized)* Oct 28 2019 (FAQ). This book is not endorsed, sponsored, or affiliated with CBS Studios Inc., Paramount Pictures, or the "Star Trek" franchise. In the 1980s and '90s, Star Trek rose from the ash heap of network cancellation and soared to the peak of its popularity with a series of blockbuster feature films and the smash sequel series Star Trek: The Next Generation . Star Trek FAQ 2.0 picks up where the original Star Trek FAQ left off, chronicling the historic comeback of the "failed" series and its emergence as a pop culture touchstone. The book provides accounts of the production of every Star Trek movie (including creator Gene Roddenberry's struggle to retain control of the franchise) and every episode of The Next Generation (and the conflicts that roiled its writing staff). It also offers profiles of the actors, directors, writers, producers, and technicians whose excellence fueled the franchise's success, and explores often overlooked aspects of the Star Trek phenomenon, including unofficial, fan-made productions. Star Trek FAQ 2.0 represents the final frontier of Trek scholarship.

*Star Trek: The Next Generation Cats* Jul 30 2022 The cats are back in their continuing mission: to boldly go where no one has gone before. This companion to the bestselling Star Trek Cats brings the many adventures of Star Trek: The Next Generation to life in a faithfully feline homage to the hit series. From encounters with the Borg to adventures on the holodeck, Captain Picard and the rest of the U.S.S. Enterprise NCC-1701-D crew are reimagined as cats with lovingly detailed and eyebrow-raising scenes from throughout the award-winning series, perfect for Star Trek fans across the

**The Voyages of Star Trek** Aug 07 2020 Star Trek emerged alongside mini-skirts, bellbottoms, and VW vans; flourished in the shadow of Madonna, big hair, and greed; and expanded with computers, Beanie Babies, and religious revitalization. Star Trek survived the culture shock of 9/11 and experienced a revival in the era of yoga pants, hybrid cars, and Starbucks. After more than 5 decades, Star Trek is alive and well, still voyaging through space and time. But, why is that? How has this science fiction franchise managed to anticipate and adapt to such rapid culture change? In *The Voyages of Star Trek: A Mirror on American Society through Time*, authors K. M. Heath and A. S. Carlisle, investigate the enduring appeal of Star Trek, noting how it has mirrored, foreshadowed, and adapted to contemporary American culture from 1966 to the present. Through anthropological analysis, the authors examine the evolution of Star Trek by tying its storylines to events and developments in the U.S., assessing the extent to which the visual image of Star Trek is reflected on the screen from “snapshots” of randomly selected episodes and all of the films. By examining how Star Trek addressed contemporary social issues through a sci-fi lens over time, the authors postulate, Americans can better understand their own changing culture. If StarTrek can continue to anticipate and adapt to our rapidly changing world, then it should remain a part of the cultural landscape for another 50 years, truly going where few franchises have gone before.

*The Peacekeepers* Jul 06 2020 Exploring a deserted alien spaceship, Lt. Commander Data and Lt. Geordi LaForge suddenly find themselves transported light-years away -- into the prison cell, into the middle of a deadly conflict! While Captain Picard and the crew of the U.S.S. Enterprise™ search feverishly for the missing crewmen, Data and LaForge discover they are in a station almost identical

to the one they were exploring, high in orbit around an Earth-type world. Years before, the occupants of that planet accidentally stumbled onto the ship and its advanced technology -- and since then have used its weapons to keep the nations on the planet below disarmed, and at peace. Now their own arrival has precipitated a crisis on the station. Somehow, Data and LaForge must find a way to restore trust between the planet below and the station's guardians up above -- before a final, destructive war breaks out!

**Survivors** Apr 14 2021 Treva is an isolated human colony on the fringes of known space on the verge of becoming a true interstellar community, a full fledged member of the Federation. But now the U.S.S. Enterprise™ has received a distress signal for Treva is in the throes of a violent revolution, a revolution led by a merciless warlord who has committed countless atrocities in the name of freedom. Data and Lt. Tasha Yar are dispatched to investigate. Once they reach Treva, they discover the truth, and any possible solution may be far more complex than a simple rebellion. Treva's president wants more than Starfleet's good words in her fight against the rebels, she wants their weapons technology. And before the battle is over, she means to get them. Over Data's and Yar's dead bodies, if necessary.

*Exploring Picard's Galaxy* Mar 26 2022 Serving as the sequel to Gene Roddenberry's original television series, *Star Trek: The Next Generation* pushed the boundaries of the "final frontier." At the same time, the show continued the franchise's celebrated exploration of the human experience, reflecting current social and political events. *ST:TNG* became immensely successful, spawning four feature films and several television spin-offs. This collection of new essays explores both the series' characters and its themes. Topics include the Federation's philosophy concerning technocracy, sexuality and biopolitics; foreign policy shifts in the Prime Directive; key characters including Jean-Luc Picard, Data, Deanna Troi, Tasha Yar; and Klingon martial arts, music, and history.

*Available Light* Apr 02 2020 The past comes back to haunt Captain Jean-Luc Picard in this brand new thriller set in the universe of *Star Trek: The Next Generation*. Section 31, the covert organization which has operated without accountability in the shadows for more than two centuries, has been exposed. Throughout the Federation, the rogue group's agents and leaders are being taken into custody as the sheer scope of its misdeeds comes to light. Now Starfleet Command must decide the consequences for numerous officers caught up in the scandal—including Admirals William Ross, Edward Jellico, Alynna Nechayev, and Captain Jean-Luc Picard who, along with many others, are implicated in the forced removal of a Federation president. Meanwhile, deep in the distant, unexplored region of space known as the Odyssean Pass, Picard and the crew of the Starship Enterprise must put aside personal feelings and political concerns as they investigate a massive

mysterious spacecraft. Adrift for centuries in the void, the ship is vital to the survival of an endangered civilization which has spent generations searching for a world to sustain what remains of its people. Complicating matters is a band of marauders who have their own designs on the ancient ship, with only the Enterprise standing in their way....
