This deluxe, definitive presentation of the story in full color will NOT be collected any time soon, so these single issues will be the only way to experience this. Blade of the Immortal returns in deluxe hardcover editions, collecting Hiroaki Samura's epic series for the first time in its original 7x10 serialized format. A cursed, seemingly immortal warrior aids a young girl in her quest for revenge, as the students of a brutal new sword school tear a bloody path across Japan. Hiroaki Samura's massive manga series spawned two anime adaptations, a spinoff novel, an art book, and a live-action film! Samura's storytelling tour-de-force also won Japan's Media Arts Award, several British Eagle Awards, and an Eisner Award, among other international accolades. Intense and audacious, Blade takes period samurai action and deftly combines it with a modernist street idiom to create a style and mood like no other work of graphic fiction. Collects Blade of the Immortal volumes 1 to 3 in the original 7x10 serialized format, in a faux-leather hardcover treatment, and with a bookmark ribbon.*
