Past Sins Feb 21 2022 America
was fighting a Cold War
against the Soviets. It was the
CIA versus the KGB, a covert
war fought to contain the
struggle so that real war would
never break out. The year was
1965, just three years after the
nation had retreated from the
nuclear nightmare that almost
occurred over Soviet missiles in
Cuba. When the CIA found a
supernatural creature (thought
to be mythological) in Hungary,
they thought they had won. It
was a creature they thought
could be contained and
controlled... one they thought
they could bend to their will... a
creature so horrifying, it was
only spoken about in whispers,

so even the walls wouldn't hear. But, they forgot one important thing ... they forgot that you can never dance with the Devil unless he calls the tune. Now, at the dawn of the 21st Century, it has escaped... and the real nightmare has only just begun. "Try to run away from Don Ecker's pulse-pounding new novel Past Sins and it will rip your throat out. Submit! Read it! And you might survive! There are horror novels and then there is Past Sins. Ecker has obviously been in the middle of a moment so horrific that one's senses cease to operate, and the dance of death begins. You can thank him or curse him, but he has now decided to personally

share that moment with you in his epic Past Sins. Drink or feed at your own risk!" (Dwight Schultz, television and film star.)

My Brother Stevie: A Marine's Untold Story Nov 01 2022 Lieutenant Straughan Downing Kelsey, Jr. was my only and older brother. He was the family's Protector. When he was Killed In Action, June 2, 1967 in Quang Tin Province, Vietnam the family died with him. My younger sister and I survive. We are all that is left of a once glorious family. I wish that the gifts the Lord blessed him with will not be forgotten nor his courage, valor and compassion. He was a gifted athlete, artist, musician and intellect. He graduated from Princeton University in June of 1965 and entered the Marine Corps almost immediately. It

was his lifelong dream. This book is his story and legacy. It is the story of the times he lived in when America went from watching Howdy Doody to civil rights race riots and war at home and Vietnam. America lost her innocence but Stevie never wavered in his devotion to his country and the Marine Corps. Press Release : My Brother Stevie: A Marine's Untold Story: Vietnam 1967 By Marianne Kelsey Orestis In recognition of her book, My Brother Stevie: A Marine's Untold Story: Vietnam 1967 and tireless work in promoting patriotism while honoring the sacrifice and service of all Veterans and their families, The Department of Defense

recently awarded Authorhouse author, Marianne Kelsey Orestis, the prestigious Vietnam War Commemoration Award. Orestis represented the great State of Maine and the Topsham-Brunswick Chapter of the National Society of the Daughters of the American Revolution in Washington, DC on June 30, 2017 at a ceremony celebrating her commitment to keeping the stories alive of Vietnam Veterans in her book. This tome is a story of courage and sacrifice of not only her brother but of all Marines, especially those who lost their lives at the massacre of Operation Union II on June 2, 1967. The battle was fought in the Quang Tin Province of

Vietnam at the village of Ving Huy near the Mekong Delta where the An Hoa Marine Combat Field Base was located. This massacre resulted in the greatest loss of Marine riflemen throughout the entire war in a single day. Orestis reaches deep into their lives to tell the stories of this harrowing battle so replete with uncommon valor. In this personal account, Orestis chronicles not only the life of the Lieutenant but of the times he lived in paying respect to the lives of those who gave their utmost. Orestis received the Department of Defense Certificate in appreciation of her dedication to the educating of those who came afterward

by telling the stories of service, honor and sacrifice of the Veterans and their families in her biography.

Silver Star-awarded marine
chronicles his service in Iraq in
this "transcendent memoir of
military service and its

2003, an AP photographer
captured a striking image seen

Sergeant Nick Popaditch

tank, the haunting statue of
Saddam Hussein hovering in
the background. Though
immortalized in that moment as
"The Cigar Marine,"
Popaditch's fighting was far
from over. The following year,
he fought heroically in the
battle for Fallujah and suffered
grievous head wounds that left
him legally blind and partially
deaf. But he faced the toughest
fight of his life when he
returned home: the battle to
remain the man and Marine he
was. At first, Nick fights to get
back to where he was in Iraq-in
the cupola of an M1A1 main
battle tank, leading Marines in
combat. As the seriousness and
permanence of his disabilities
become more evident, Nick

fights to remain in the Corps in
any capacity and help his
brothers in arms. Then,
following a medical retirement,
he battles for rightful
recognition and compensation
for his disabilities. Throughout
his harrowing ordeal, Nick
 fights to maintain his honor
and loyalty, waging all these
battles the same way—the
Marine way—because anything
less would be a betrayal of all
he holds dear.

The Leader's Code Jan 03 2023 What does it take to be a great leader? In a word: character. This unique book by decorated U.S. Marine Corps veteran Donovan Campbell, the New York Times bestselling author of *Joker One*, draws on his years of training and combat experience to reveal

the specific virtues that underpin effective leadership—and how anyone can stand up, serve others, and make a difference in the world by bringing out the best in a team. The Leader's Code is a practical action plan that can be applied to any situation in which exemplary leadership is required, whether that be at home or in the workplace. Moreover, *The Leader's Code* unpacks the military servant-leader model—a leader must take care of his mission first, his team second, and himself a distant third—and explains why this concept of self-sacrifice is so needed in today's world. Focusing on the development of character as the foundation

of servant-leadership, Campbell identifies character's six key attributes: humility, excellence, kindness, discipline, courage, and wisdom. Then, drawing on lessons from his time in the Corps and stories from history, Scripture, and American business, he shows us how to develop those virtues in order to take the helm with confidence, conviction, and a passion to bring out the best in others. Being a leader is about being worthy of being followed. True leaders, Campbell argues, foster compassion for others and they pursue excellence in all that they do. They are humble and know how to self-correct. Campbell's exploration of these vital qualities is wide-

ranging, as he takes us from the boardrooms of the world's most successful companies to the Infantry Officer Course, the intense twelve-week training gauntlet that Marines use to prepare their leaders to sacrifice themselves for the welfare of others. With faith in our political and business leaders at an all-time low, America is in the midst of a crisis of trust. Yet public opinion polls show that there is one institution that still commands widespread respect because of its commitment to character and sacrifice: the United States military. The Leader's Code shows that this same servant-leader model can help us all become our best

selves—and provide a way forward for our nation. Advance praise for The Leader's Code "A refreshing model for leadership, offering convincing principles and motivating examples that are sure to make a difference in a leader's personal and professional life. I can't remember a leadership book that has had more influence on my thinking."—Steve Reinemund, dean of business, Wake Forest University, and retired chairman and CEO, PepsiCo "Donovan Campbell has written a superb, thoughtful, all-encompassing examination of leadership and leaders. His key lessons, easily understood and well

articulated, are applicable at home, within the community, and to professionals in all walks of life. The Leader's Code is an important book for anyone concerned about today's leadership crisis in our country and in our communities."—General Mike Hagee, USMC (Ret.), 33rd Commandant of the U.S. Marine Corps "Donovan Campbell nails it as he speaks to our country's need for leadership at every level: at home, in the marketplace, in education, in government, and in the military. The Leader's Code is a clear call to be focused on the right mission, in the right way, and at the right time. This is a thoughtful book

that will keep you awake at night and challenge you to dream in the daytime!"—Dennis Rainey, president and CEO, FamilyLife *Heart of a Marine* May 27 2022
