Put Robert's forty years as a professional artist and teacher to work for you. The #1 New York Times--bestselling author of **The Power of Positive Thinking** shows readers how to put his philosophy of optimism into action. Millions of people around the world have changed their lives for the better, thanks to Norman Vincent Peale and his Positive Thinking philosophy. Dr. Peale's groundbreaking program of affirmation and positive visualization is an amazingly effective way to overcome any obstacles that may stand between you and success, happiness, and your mental, emotional, physical, and spiritual health and well-being. Positive Thinking works—and in **The Power of Positive Living**, Dr. Peale demonstrates how to use these techniques to conquer the fears and crippling adversity that may be holding you back from realizing your true potential in life. Self-confidence is the key and this book shows us how we can do it! With the "get-it-done twins," patience and perseverance, any believer can be an achiever! Dr. Peale provides inspiring success stories from his own extensive experience as a counselor—such as a department store executive who turned his store into one of the chain's most profitable by focusing on his past successes rather than his failures, and a woman who recovered her self-confidence and joy and purpose in living when she started volunteering with cancer survivors after her own breast cancer diagnosis cut short her modeling career. The wisdom, guidance, and practical advice provided in **The Power of Positive Living** will give you faith in yourself and in your power to achieve absolutely anything! "You do not need to be defeated by anything, ... you can have peace of mind, improved health, and a never-ceasing flow of energy." **The Power of Positive Thinking** is a practical, direct-action application of spiritual techniques to overcome defeat and win confidence, success and joy. Norman Vincent Peale, the father of positive thinking and one of the most widely read inspirational writers of all time, shares his famous formula of faith and optimism which he developed himself by trial and error whilst searching for a way of life. Millions of people have taken Peale's teachings as their own simple and effective philosophy of living. His gentle guidance helps to eliminate defeatist attitudes, to know the power you possess and to make the best of your life One of the most powerful forces in business today is the positive psychology movement -- overcoming self-defeating attitudes and developing our talents and positive traits. Much of the new thinking, in fact, stems directly from the concepts in Norman Vincent Peale's great classic bestseller, **The Power of Positive Thinking**, which has been translated into forty-two languages and has sold over 22 million copies. Now, after years of extensive research and field testing, working in cooperation with the Peale Center and major corporations nationwide, Scott Ventrella has adapted those concepts into a systematic program for people in business to achieve greater levels of personal and professional performance. **The Power of Positive Thinking in Business** provides a practical way for each of us to develop and actually strengthen the ten traits of a positive thinker. Inevitably, our performance rises to new levels when we learn how to overcome negative attitudinal barriers such as fear, lack of self-confidence, and low self-esteem, and instead develop the traits that characterize a positive thinker: optimism, enthusiasm, belief, integrity, courage, confidence, determination, patience, calmness, and focus. **The Power of Positive Thinking in Business** encourages us to concentrate on objective, rational thinking instead of self-limiting beliefs and negative self-talk. The result is an increased ability to deal effectively with tough situations and difficult people, in both business environments and personal lives. Together, rational thinking and the ten traits of a positive thinker can turn defeatist behavior into productive actions that will overcome the toughest of challenges with powerful, positive results. Best of all, these practical yet powerful concepts are applicable to businesspeople at all levels, disciplines, and functions within an organization, and have been adapted to appeal to people of all faiths. The 25th anniversary edition of the classic motivational and self-improvement book that has sold more than 1.6 million copies in hardcover. For more than three decades, Zig Ziglar, one of the great motivators of our age, has traveled the world, encouraging, uplifting, and inspiring audiences. His groundbreaking best-seller, **See You at the Top**, remains an authentic American classic. This revised and updated edition stresses the importance of honesty, loyalty, faith, integrity, and strong personal character. A leading psychologist confronts the myths surrounding optimism, arguing that negative thinking is often a more useful weapon against anxiety than positive thinking. Reprint. 25,000 first printing. No is perhaps the most important and certainly the most powerful word in the language. Every day we find ourselves in situations where we need to say No—to people at work, at home, and in our communities—because No is the word we must use to protect ourselves and to stand up for everything and everyone that matters to us. But as we all know, the wrong No can also destroy what we most value by alienating and angering people. That's why saying No the right way is crucial. The secret to saying No without destroying relationships lies in the art of the Positive No, a proven technique that anyone can learn.
