If you have toddlers in your family, you have probably already noticed that “Toddlers are egocentric little people that live in the present moment 100% of their time”. This observation is very true and it is one of the most singularly important factors in the overall discipline approach to toddlers, particularly if you are struggling with toddlers’ demands. Considering that toddlerhood is a long period of NONLINEAR physical, cognitive and emotional development, it is either you know what you are doing or chances are your toddler will try to drive you insane. Do you know that there is a reliable and effective strategy to empathically discipline your toddlers, reach them during tantrums and even have toddlers that finally listen? Are you exhausted, clueless in parenting and often frustrated with your toddler? Are you... ..clueless why your child behaves in such a way? ...thinking that your child is bad because of his behavior? ...tired of trying to make your child listen? ...trying to control your toddler so badly? ...about to give up on parenting? Parenting is a challenge, but it can also be one of the most beautiful and pleasant experiences in life. So read this book, use all the discipline tricks and strategies and be confident – your love is the secret ingredient that fixes everything. If you want to learn more about modern discipline strategies and how to make the toddler years positive... then simply scroll up and grab the book As seen in the New York Times -- a practical guide that presents an alternative to shouting, shaming, and blaming--to give kids the skills they need to grow and thrive Discipline is an essential part of raising happy and successful kids, but as more and more parents are discovering, conventional approaches often don't work, and can even lead to more frustration, resentment, power struggles, and shame. Enter Sarah Ockwell-Smith, a popular parenting expert who believes there's a better way. Citing the latest research in child development, psychology and neuroscience, Gentle Discipline debunks common myths about punishments, rewards, the "naughty chair," and more, and presents practical, connection-based techniques that really work--and that bring parents and kids closer together instead of driving them apart. Topics include: Setting--and enforcing--boundaries and limits with compassion and respect Focusing on connection and positivity instead of negative consequences Working with teachers and other caregivers Breaking the cycle of shaming and blaming Filled with ideas to try today, Gentle Discipline helps parents of toddlers as well as school-age kids embrace a new, more enlightened way to help kids listen, learn and grow. For twenty-five years, Positive Discipline has been the gold standard reference for grown-ups working with children. Now Jane Nelsen, distinguished psychologist, educator, and mother of seven, has written a revised and expanded edition. The key to positive discipline is not punishment, she tells us, but mutual respect. Nelsen coaches parents and teachers to be both firm and kind, so that any child--from a three-year-old toddler to a rebellious teenager--can learn creative cooperation and self-discipline with no loss of dignity. Inside you'll discover how to • bridge communication gaps • defuse power struggles • avoid the dangers of praise • enforce your message of love • build on strengths, not weaknesses • hold children accountable with their self-respect intact • teach children not what to think but how to think • win cooperation at home and at school • meet the special challenge of teen misbehavior “It is not easy to improve a classic book, but Jane Nelson has done so in this revised edition. Packed with updated examples that are clear and specific, Positive Discipline shows parents exactly how to focus on solutions while being kind and firm. If you want to enrich your relationship with your children, this is the book for you.” –Sal Severe, author of How to Behave So Your Children Will, Too! Millions of children have already benefited from the counsel in this wise and warmhearted book, which features dozens of true stories of positive discipline in action. Give your child the tools he or she needs for a well-adjusted life with this proven treasure trove of practical advice. A Positive, Proven Approach to Single Parenting! As a single parent in our complex world, you face the challenge of doing alone a job that was meant for two people. In addition, self-doubt and guilt may dampen the joy you experience raising your child. What do you do? Over the years, millions of parents just like you have come to trust Jane Nelsen's classic POSITIVE DISCIPLINE series for its consistent, commonsense approach to child rearing. In this completely revised and updated edition of Positive Discipline for Single Parents you'll learn how to succeed as a single parent in the most important job of your life: raising a child who is responsible, respectful, and resourceful. Inside this reassuring book, you'll discover how to: ·Identify potential problems and develop skills to prevent them ·Budget time each week for family activities ·Create a respectful coparenting relationship with your former spouse ·Use nonpunitive methods to help your children make wise decisions about their behavior ·And much, much more! "Provides very important information for single parents, especially in today's violent society. Used as a resource, it can help parents deal with discipline issues in a positive way and in turn help their children become responsible citizens."—Judy Foy, international vice president, Community Relations, Parents Without Partners "Another great resource for both single parents and therapists . . . practical and enjoyable to read. A must for your parenting library."—Stephen Sprinkel, marriage and family therapist Take back the classroom and make a positive difference in your students' lives. Many teachers today are facing problems and discipline issues they never dreamed of when they decided to become teachers. Combine violence, behavioral disorders, and downright defiant attitudes from students with the age-old problems of bullying, poor attendance, and more, and the mix is positively lethal. However, there are effective, positive strategies for restoring order and turning the teacher-student relationship into one of mutual respect. Applicable to all grade levels, this comprehensive A to Z guide addresses modern-day problems and practical solutions for establishing an effective learning environment. Inside, you'll discover: • The 17 fundamental tools of positive discipline • Real-life stories of proven positive discipline strategies • Suggestions for establishing and maintaining respectful, nurturing relationships with students • And much more! "Overcome obstacles and get back to why you became a teacher in the first place: to empower students with confidence, self-respect, and resourcefulness." —Bill Scott, principal, Birney Elementary School, Marietta, Georgia "An inspiring, information-packed book. All teachers—from those just beginning to those with many years of experience—will find the tools of positive discipline easy to use." —Phillip Harris, Ed.D., director, Center for Professional Development and Services, Phi Delta Kappa International A Positive Approach To Raising Happy, Healthy and Mature Teenagers Adolescence can be a time of great stress and turmoil—not only for kids going through it, but for their parents as well. It's normal for teens to explore a new sense of freedom and to redefine the ways in which they relate to their parents, and that process can sometimes leave parents feeling powerless, alienated, or excluded from their children's lives. These effects can be magnified even further in this modern age of social networks, cell phones, and constant digital distraction. This newly revised and updated edition of Positive Discipline for Teenagers shows parents how to

build stronger bridges of communication with their children, break the destructive cycles of guilt and blame that occur in parent-teen power struggles, and work toward greater mutual respect with their adolescents. At the core of the Positive Discipline approach is the understanding that teens still need their parents, just in different ways—and by better understanding who their teens really are, parents can learn to encourage both their teens and themselves, and instill good judgment without being judgmental. The methods in this book work to build vital social and life skills through encouragement and empowerment—not punishment. Truly effective parenting is about connection before correction. Over the years, millions of parents have come to trust Jane Nelsen’s classic Positive Discipline series for its consistent, commonsense approach to raising happy, responsible kids. This new edition is filled with proven, effective methods for coping with such parenting challenges as: -Fostering truly honest discussions with your teen -Helping your teen handle the online world -Turning mistakes into opportunities -Keeping your sanity while raising your teen—and making sure your own teenage issues aren’t weighing you down -Teaching your teen how to pursue the goal that make them happy...and a few that make you happy too (like chores) -Making sure you’re on your teen’s side, and that they know that -Avoiding the pitfalls of excessive control and excessive permissiveness Over 2 Million Positive Discipline Books Sold! A Positive Approach To Helping Children With Special Needs Realize Their Potential Every child deserves to lead a happy and fulfilling life. For parents and teachers of children with special needs, helping their child to not only negotiate daily challenges, but to live fulfilling, meaningful lives, can be the most difficult challenge they will face. Over the years, millions of parents and teachers have come to trust Jane Nelsen’s classic Positive Discipline series for its consistent, commonsense approach to childrearing. Now, the bestselling series addresses the specific challenges that parents and teachers of children with special needs face, and offers them straightforward advice for supporting them in positive ways. In these pages are practical solutions to challenges such as: Learning to look beyond diagnostic labels ? Believing in each child’s potential regardless of his/her stage of development ? Helping children integrate socially and interact with their peers ? Coping with the frustration that inevitably occurs when a child is being difficult ? Strengthening a child’s sense of belonging and significance ? And Many More! Use this book to answer such questions as: • How do you accommodate a disability, while still teaching a child to try their best? • How do you help a child cope with anger they may have trouble expressing, especially when that anger may on some level be justified? • How do you teach a child who may struggle with seemingly straight forward tasks to contribute to the world around them in a way that will be meaningful to them? “If you are raising or teaching a child with special needs, this book is a must-read. As the mother of a child with autism, my hopes and dreams for my son were no different than those of other parents. I wanted a parenting approach that helped my child grow up to be self confident, happy, and prepared for success in relationships, work, and life. I also needed practical, effective methods for addressing the significant, challenging behaviors I faced on a daily basis. Finally, in this amazing book, I found both....Thank you, thank you, thank you to the authors of this groundbreaking book.” - Rachel Fink Parks, MS, PCC Positive Parenting is a parenting book with a difference. It does not tell you the practicalities of raising a child such as how to potty train, or when to introduce solids foods. Instead, it argues that what really matters is helping children to grow up feeling secure and good about themselves. Children -like adults- perform best when they feel good about themselves. This book will show you how to help your child develop: * positive self-esteem * self-confidence * self reliance Positive self-esteem is the best gift any parent can give their child. Knowing yourself and liking yourself is so often the key to success in life-affecting personal relationships, general motivation and success in work. Using key words like 'praise', 'play', 'touch' and 'talk', this book speaks to new and experienced parents alike about what helps children develop and what blocks progress. Positive Parenting will empower and encourage, affirming that is okay to do it your way. No matter how difficult parenting may have been in the past, Positive Thinking offers a clear and simple way forward in the most influential relationship of all-that between parent and child Do you wish there was a way to raise well-behaved children without punishment? Are you afraid the only alternative is being overly indulgent? With Positive Discipline, an encouragement model based on both kindness and firmness, you don’t have to choose between these two extremes. Using these 49 Positive Discipline tools, honed and perfected after years of real-world research and feedback, you’ll be able to work with your children instead of against them. The goal isn’t perfection but providing you with the techniques you need to help your children develop the life and social skills you hope for them, such as respect for self and others, problem-solving ability, and self-regulation. The tenets of Positive Discipline consistently foster mutual respect so that any child—from a three-year-old toddler to a rebellious teenager—can learn creative cooperation and self-discipline without losing his or her dignity. In this new parenting guidebook, you’ll find day-to-day exercises for parents to improve their parenting skills, along with success stories from parents worldwide who have benefited from the Positive Discipline philosophy. With training tools and personal examples from the authors, you will learn: · The “hidden belief” behind a child’s misbehavior, and how to respond accordingly · The best way to focus on solutions instead of dwelling on the negative · How to encourage your child without pampering or praising · How to teach your child to make mistakes and follow through on agreements · How to foster creative thinking Over 2 Million Positive Discipline Books Sold! In addition to advice on topics such as sibling conflict and lying, Whelchel offers a biblical perspective and down-to-earth encouragement to parents who are feeling overwhelmed. A handy reference guide that provides ideas for specific situations rounds out this resource that will be a blessing to parents and their children. Now in softcover. The celebrated Positive Discipline brand of parenting books presents the revised and updated third edition of their readable and practical guide to communicating boundaries to very young children and solving early discipline problems to set children up for success. Over the years millions of parents have used the amazingly effective strategies of Positive Discipline to raise happy, well-behaved, and successful children. Research has shown that the first three years in a child’s life are a critical moment in their development, and that behavior patterns instilled during that time can have profound implications for the rest of a child’s life. Hundreds of thousands of parents have already used the advice in Positive Discipline: The First Three Years to help set effective boundaries, forge strong foundations for healthy communication, and lay the groundwork for happy and respectful relationships with their young children. Now this classic title has been revised and updated to reflect the latest neuroscientific research and developments in positive discipline parenting techniques. As a parent, you face one of the most challenging—and rewarding—roles of your life. No matter how much you love your child, there will still be moments filled with anger, frustration, and, at times, desperation. What do you do? Over the years, millions of parents just like you have come to trust the Positive Discipline series for its consistent, commonsense approach to child rearing. In this completely updated edition of Positive Discipline A–Z, you will learn how to use methods to raise a child who is responsible, respectful, and resourceful. You’ll find practical solutions to such parenting challenges as: - Sibling Rivalry - Bedtime Hassles - School Problems - Getting Chores Done - ADHD ·Eating Problems - Procrastination - Whining - Tattling and Lying - Homework Battles - And Dozens More! This newly revised and expanded third edition contains up-to-the-minute information on sleeping through the night, back talk, and lack of motivation as well as tips on diet, exercise, and obesity prevention, and new approaches to parenting in the age of computers and cell phones. Positive Parenting for Those Important Teen Years Adolescence is often a time of great stress and turmoil—not only for kids going through it, but for you, their parents as well. During the teen years, kids aggressively begin to explore a new sense of freedom, which often leads to feelings of resentment and powerlessness for parents who increasingly are excluded from their children’s lives. This revised edition of Positive Discipline for Teenagers shows you how to break the destructive cycle of guilt and blame and work toward greater understanding and communication with your adolescents. Inside, you’ll: ·Find out how to encourage your teen and yourself ·Grow to understand how your teen still needs you, but in different ways ·Learn how to get to know who your teen really is ·Discover how to develop sound judgment without being judgmental ·Learn how to use follow-through—the only surefire way to get chores done Over the years, millions of parents have come to trust the classic Positive Discipline series for its consistent, commonsense approach to child rearing. Inside, you’ll discover proven, effective methods for working with your teens. Over 1 million Positive Discipline books sold! "I highly recommend this book to parents, teachers, and all others who work with young people. It is one of the best books I have seen on helping adults and adolescents turn their conflict into friendship. Remarkably, it shows how to accomplish this while helping young people develop courage, confidence, responsibility, cooperation, self-respect, and trust. I urge you to read it." —H. Stephen Glenn, Ph.D., coauthor of Raising Self-Reliant Children in a Self-Indulgent World. Designed to help parents to take charge of their home, offers tips on how to recognize six types of testing and manipulating behavior and how to constructively handle misbehavior at home and in public. This story is about helping children create an Anger Wheel of Choice. It teaches children that feelings are always okay, but what they do is not always okay. An Anger Wheel of Choice will give children healthy ways to deal with their feelings of anger. An updated child-care manual designed for parents of preschool-age children tells how to prevent misbehavior through non-punitive discipline and how to reinforce useful social skills and positive behavior, while dealing with the challenges of young children as they learn and grow. Original. 15,000 first printing. With the increasing pressure to excel at parenting, work, and personal relationships, it’s easy to feel stressed and dissatisfied. This targeted Positive Discipline guide gives parents the tools to parent effectively without sacrificing their well-being or giving up on their life goals. Instead of creating unachievable expectations, you will instead learn to play to your strengths at work and at home. You’ll integrate your seemingly disparate areas of life and use Positive Discipline to make the most out of your time, energy and relationships. By helping you get to the bottom of the underlying causes of misbehavior, busy parents will also be able to avoid pampering and keep permissive and punitive parenting at bay. Instead of feeling fragmented and guilty, you’ll have the presence of mind to explore what works best for you and your family. Attitude is key – we’ll help you feel confident in your parenting abilities and your professional choices, making your children more likely to adopt an attitude of self-reliance and cooperation. Armed with communication strategies and tips for self-reflection, moms (and dads!) won't have to feel guilty about leaving their child with a sitter during the day, or leaving work early to go to a soccer game. Positive Parenting for Those Important Teen Years Adolescence is often a time of great stress and turmoil—not only for kids going through it, but for you, their parents as well. Remarkably, it shows how to accomplish this while helping young people develop courage, confidence, responsibility, cooperation, self-respect, and trust. I urge you to read it." —H. Stephen Glenn, Ph.D., coauthor of *Raising Self-Reliant Children in a Self-Indulgent World*. Winner of the Disney's iParenting Media Award for Best Product Have the Terrible Twos become the Terrifying Threes, Fearsome Fours, Frightening Fives, and beyond? Elizabeth Pantley, creator of the No-Cry revolution, gives you advice for raising well-behaved children, from ages 2 through 8 In *The No-Cry Discipline Solution*, parenting expert Elizabeth Pantley shows you how to deal with your child's behavior. Written with warmth but based in practicality, Elizabeth shows you how to deal with childhood's most common behavioral problems: Tantrums Sleep issues Backtalk Hitting, Kicking and Hair Pulling Sibling fights Swearing Dawdling Public misbehavior Whining ... and more! "Pantley applies succinct solutions to dozens of everyday-problem scenarios--from backtalk to dawdling to lying to sharing to screaming--as guides for readers to fashion their own responses. Pantley is a loving realist who has managed, *mirabile dictu*, to give disciplinarianism a good, warm name." --Kirkus "While many books on discipline theory are interesting and enlightening, parents often struggle finding a way to apply the theories. Pantley's advice is practical and specific. If ever trapped on a desert island with a bunch of kids, this is among the most useful books you could bring along." --Tera Schreiber, *Mom Writer's Literary Magazine* Nelsen's popular Positive Discipline philosophy is used in hundreds of schools as a foundation for fostering cooperation, problem-solving skills, and mutual respect in children. In this latest edition, teachers learn how to create and maintain an atmosphere where learning can take place--and where students and teachers can work together to solve problems. Empowering Methods for Effective Childcare As a professional childcare provider, you want to create an environment that is inviting and nurturing for children as well as encouraging for your adult staff. You want to find ways to form a partnership with parents in their children's development. Simply put, you want to provide an all-around quality childcare experience at every level. This book is also great for parents who want to take an active role in assuring the best childcare for their children. *Positive Discipline for Childcare Providers* offers a thorough, practical program that is easily adaptable to any childcare or preschool situation and setting. Inside are workable solutions to many of today's toughest childcare issues and everything you need to develop an enriching experience for children, parents, and workers alike. You'll learn how to: ·Create a setting where children can laugh, learn, and grow ·Support healthy physical, emotional, and cognitive development in all children, including those with special needs ·Encourage parents to establish a partnership with you and provide the same kind, firm limits and respectful environment at home ·Uncover support and learning opportunities for yourself and fellow childcare providers ·And much more! "In a magical way, *Positive Discipline for Childcare Providers* demonstrates techniques that decrease misbehavior by increasing the child's sense of capability, courage, and community feeling." —Rob Guttenberg, a state-certified childcare trainer, director of parenting education at YMCA Youth Services Maryland, and author of *The Parent As Cheerleader* "Wow! This book is an incredible resource full of effective and practical ideas—from creating an environment where everyone feels welcome to a model of discipline that respects and empowers adults and children." —Mary Jamin Maguire, M.A., L.P., LICSW, trainer, Minnesota School-Age Childcare Training Network Cure your kids of the entitlement epidemic so they develop happier, more productive attitudes that will carry them into a successful adulthood. Whenever Amy McCready mentions the "entitlement epidemic" to a group of parents, she is inevitably met with eye rolls, nodding heads, and loaded comments about affected children. It seems everywhere one looks, there are preschoolers who only behave in the grocery store for a treat, narcissistic teenagers posting selfies across all forms of social media, and adult children living off their parents. Parenting expert McCready reveals in this book that the solution is to help kids develop healthy attitudes in life. By setting up limits with consequences and training them in responsible behavior and decision making, parents can rid their homes of the entitlement epidemic and raise confident, resilient, and successful children. Whether parents are starting from scratch with a young toddler or navigating the teen years, they will find in this book proven strategies to effectively quell entitled attitudes in their children. Explains why children misbehave; discusses class and family meetings, mutual respect, and responsibility; and tells how parents and teachers can be more understanding and supportive As a parent, you face one of the most challenging—and rewarding—roles of your life. No matter how much you love your child, there will still be moments filled with anger, frustration, and, at times, desperation. What do you do? Over the years, millions of parents just like you have come to trust the Positive Discipline series for its consistent, commonsense approach to child rearing. Give your child the tools he or she needs for a well-adjusted life with this proven treasure trove of practical advice. Draws on the author's *Positive Parenting Solutions* online course to explain how to correct negative behaviors in children, introducing the psychological theories of Alfred Adler on using empowerment to promote healthy child development. Explains the structured discipline system which enables parents and children to find happiness. The Acclaimed Bestseller *That Can Improve Your Classroom Experience Forever!* Over the years, millions of parents have come to trust the classic *Positive Discipline* series for its consistent, commonsense approach to child rearing. Hundreds of schools also use these amazingly effective strategies for restoring order and civility to today's turbulent classrooms. Now you too can use this philosophy as a foundation for fostering cooperation, problem-solving skills, and mutual respect in children. Imagine, instead of controlling behavior, you can be teaching; instead of confronting apathy, you will enjoy motivated, eager students! Inside, you'll discover how to: ·Create a classroom climate that enhances academic learning ·Use encouragement rather than praise and rewards ·Instill valuable social skills and positive behavior through the use of class meetings ·Understand the motivation behind students' behavior instead of looking for causes ·And much more! Over 1 million *Positive Discipline* books sold! Discover the Power of *Positive Time-Out* Time-out is one of the most popular disciplinary techniques used in homes and schools today. But instead of being the positive, motivating, experience it should be for children, it is often punitive, counterproductive, and damaging to their gentle psyches. In this book, bestselling parenting author Jane Nelsen shows you how to make time-out a positive learning experience for children. Inside, you'll discover how positive time-out can teach children the art of self-discipline and instill such invaluable qualities as self-confidence and problem-solving skills. You'll also learn how to: ·Make time-out an encouraging experience ·Develop an attitude and action plan to avoid power struggles with children ·Empower children by involving them in the behavior changing process ·Understand the mistaken goals of negative behavior "Gives parents and teachers the encouragement and tools they need to help children handle their own behavior."—Sheryl Hausinger, M.D., Texas Children's Pediatric Associates and mother of three "Offers more than 50 ways that parents can set limits while still encouraging their kids. It should be in every doctor's waiting room."—Jody McVittie, M.D., family physician Features a step-by-step method for parents that experience problems with their children; discusses seven myths of parenting; and offers advice for solving common issues with children in different age groups, from toddlers to adolescents. *Teaching Parenting the Positive Discipline Way* (developed by Lynn Lott and Jane Nelsen) is a research-based parent education program that provides a step-by-step approach to starting and leading experientially based parenting groups. MORE THAN 2 MILLION POSITIVE DISCIPLINE BOOKS SOLD The *Positive Discipline* method has proved to be an invaluable resource for teachers who want to foster creative problem-solving within their students, giving them the behavioral skills they need to understand and process what they learn. In *Positive Discipline Tools for Teachers*, you will learn how to successfully incorporate respectful, solution-oriented approaches to ensure a cooperative and productive classroom. Using tools like "Connection Before Correction," "Four Problem-Solving Steps," and "Focusing on Solutions," teachers will be able to focus on student-centered learning, rather than wasting time trying to control their students' behavior. Each tool is specifically tailored for the modern classroom, with examples and positive solutions to each and every roadblock that stands in the way of cooperative learning. Complete with the most up-to-date research on classroom management and the effectiveness of the *Positive Discipline* method, this comprehensive guide also includes helpful teacher stories and testimonials from around the world. You will learn how to: - Model kind and firm leadership in the classroom - Keep your students involved and intrinsically motivated - Improve students' self-regulation -And more! Completely updated with the latest research in child development and learning, *Positive Discipline for Preschoolers* will help parents understand their preschooler and provide early methods to raise a child who is responsible, respectful, and resourceful. Caring for young children is one of the most challenging tasks an adult will ever face. No matter how much you love your child, there will be moments filled with frustration, anger, and even desperation. There will also be questions: Why does my four-year-old deliberately lie to me? Why is everything a struggle with my three-year-old? Should I ever spank my preschooler when she is disobedient? Over the years, millions of parents have come to trust the *Positive Discipline* series and its common-sense approach to child-rearing. This revised and updated fourth edition includes a new chapter on the importance of play and outdoor experiences on child development, along with new information on school readiness, childhood brain growth, and social/emotional learning. You'll also find practical solutions for how to: - Teach appropriate social skills at an early age - Avoid the power struggles that often come with mastering sleeping, eating, and potty training - See misbehavior as an opportunity to teach nonpunitive discipline--not punishment MORE THAN 2 MILLION POSITIVE DISCIPLINE BOOKS SOLD The *Positive Discipline* method has proved to be an invaluable resource for teachers who want to foster creative problem-solving within their students, giving them the behavioral skills they need to understand and process what they learn. The Acclaimed Bestseller *That Can Improve Your Classroom Experience Forever!* Over the years millions of parents and teachers have used the amazingly effective strategies of *Positive Discipline* to restore order and civility to their classrooms and homes. And in today's classroom, where teachers must compete with digital distractions for their students' attention while trying to satisfy increasingly demanding academic standards, it is more important than ever that educators be able to combat apathy, instill vital problem-solving skills, and create a climate that maximizes learning. Now you too can use the time tested *Positive Discipline* strategies as a foundation for fostering cooperation, problem-solving skills, and mutual respect in children. This new edition of *Positive Discipline in the Classroom* is updated with essential tools for the modern teacher. Imagine, instead

of controlling behavior, you can be teaching; instead of confronting apathy, you will enjoy motivated, eager students! Inside, you'll learn how to:

- Create a classroom climate that enhances academic learning
- Use encouragement rather than praise and rewards
- Instill valuable social skills and positive behavior through the use of class meetings
- Learn why involving students in solving problems is much more effective than punishment
- Understand the motivation behind students' behavior instead of looking for causes
- And much more!

“A must for every educator. The jargon-free concepts and strategies are easy to follow and have changed my life as a principal, as well as the lives of my teachers and students.” – Bill Scott, Principal of Birney Elementary, Marietta, Georgia

“This book should be standard operating procedure. I highly recommend it to anyone who seeks to teach young people!” – Robert W. Reasoner, president of the International Council for Self-Esteem

“Transforms the way teachers view themselves and their students. The activities in this book show how learning shifts from head to heart, where positive change can really take route.” – Dina Emser, M.A., former elementary school principal and education consultant

In homes and school communities nationwide, there is re-energized interest in the values of community, compassion, and tolerance, and in finding our way to a kinder culture—a culture that starts with our families. Headlines speak of hate crimes, intolerance, and us-versus-them divisiveness. Recent political events have left many Americans yearning for unity, respect, and compassion in our national discourse. In our schools, bullying continues to be a pervasive problem, and in our homes, "screen-time" poses a constant threat to 'family time.' Research shows that connection and social engagement are key to successful, fulfilling lives, and yet we have never been less connected than we are now. Perhaps more than any other group, parents recognize the potential damage of this trend. Children who are raised in a culture where giving and compassion are valued become happier and more positively engaged with those around them. They are less likely to treat others disrespectfully. With increased concern about meanness and bullying, you may be among the many parents who see the need for more civil, respectful, and considerate behavior among our children. The Kindness Advantage is a practical and concrete guide for you to equip your child with the skills they need to have a positive influence on the world. We all benefit when children are raised with the understanding that they can have an impact by making conscious choices. It's never too early to start your child on a path of fulfillment through meaningful connection with others. Designed to be read with children as young as four, the book presents ten fundamental concepts to weave into your family's daily life. Using text, quotes, questions and real life stories, The Kindness Advantage is the first book parents need to think about and teach the necessary skills to be a kind, compassionate person. Each idea on its own is simple and unthreatening, yet together they form the powerful foundation parents need to go beyond teaching "please" and "thank-you" to form kindness habits that will last a lifetime. In a world where kindness is so greatly needed, The Kindness Advantage offers inspiration and activities to teach kids empathy, inspire a culture of compassion and connection, and empower children to make a difference in their community and the world. Award-winning teacher and best-selling author Sheryn Spencer Waterman shows teachers how to solve four of their most fundamental classroom challenges. The solutions provided in this book apply to elementary, middle, and high schools and are based on brain-based research, ethical development, the standards movement, and other practical factors. The four most baffling challenges for teachers are classroom discipline, unmotivated students, underinvolved or adversarial parents, and tough working conditions.
