Digital Illusions' Ultracore (formerly known as Hardcore) is a run-and-gun game. The game was supposed to be released in 1994 for the Amiga, Sega Genesis, and Sega CD platforms, but it was canceled by its publisher, Psygnosis, after it was almost finished. The game was rescued by publisher Strictly Limited Games and launched in March 2019 alongside the Mega Sg aftermarket console. In 2020, Nintendo Switch, PlayStation 4, and PlayStation Vita ports will be available. In October 2019, a version compatible with original Sega Genesis systems was launched in Japan. Ultracore is a fast-paced "Eurostyle 2D shooter" that necessitates quick reflexes. While progressing through the stages, the player collects weapon power-ups. In the sprawling city of Midgar, an anti-Shinra organization calling themselves Avalanche have stepped up their resistance. Cloud Strife, a former member of Shinra's elite SOLDIER unit now turned mercenary, lends his aid to the group, unaware of the epic consequences that await him. So often we are made to feel inferior or self-conscious and for that reason so many set goals that we would love to achieve but feel as though we never will. It is amazing how many people put "competing in a body sculpting competition" on their bucket list, yet feel as though they are incapable of actually doing this. Everyone deserves to strive for goals and be proud of what they achieve. Not everyone needs a trophy to obtain self-worth. When you can stand on stage, head held high, beaming with pride because you have slayed the comp dragon, knowing that: no placing, no medal, no trophy and no score will ever define you or take that accomplishment away. That is the real win. Sackboy: A Big Adventure Trophy Guide Welcome to the Sackboy: A Big Adventure Trophy Guide! As undoubtedly one of the best platformers of 2020, the story follows Sackboy who embarks on an adventurous yet perilous journey to rescue his friends from the clutches of the evil Vex. It is up to Sackboy to defeat Vex and bring peace back to the world. The good news is that you don't need to 100% the game to earn the Platinum. You still need

to collect most Dreamer's Orbs (275 to access all levels), but not all of them are needed to progress through the story, let alone 100%ing the game. Most trophies are instead tied to killing minions a certain way and to the multiplayer side of the game. Even though online co-op launches in late 2020, you can still earn the Platinum through local couch co-op or via online Shareplay (PS+ required for Shareplay method and both players must own the game). If you choose to use Shareplay, remember that the trophies will unlock only for the host, so if your friend wants to unlock the trophies as well, you'll have to do everything twice. Download Now! Disclaimer: This guide is an unofficial version and is not endorsed by or affiliated with the creator of this video game or its licensors Social media is fuelling our human urge to share, affecting the information we depend on to make smart decisions, from choosing politicians to doing business to raising money for charity. Tell Everyone delves into contemporary culture to reveal how social media has become the planet's nervous system—amplifying the power of individuals, informing our choices and shaping how we learn about our world. Writing with journalistic flair but with academic rigour, online news pioneer and social media maven Alfred Hermida lays bare why we feel compelled to share news, gossip and information, and always have. Every day more than 500 million messages are sent on Twitter, 800 million people share four billion stories, links, photographs and videos on Facebook. Every minute, 100 hours of video is uploaded to YouTube. And the flow is ever-increasing. In this new era of media saturation, what do we mean by “the news”? Is “the most trusted name in news” today a veteran anchor on television or an undergraduate tweeting from Tahrir Square in Cairo? Tell Everyone spells out how our ability to create and share news is shaping the information we receive and depend on to make informed decisions, from choosing politicians to doing business. Drawing on historical examples, real-world experiences and leading research, Tell Everyone explains how the power of sharing is transforming how we understand and give meaning to world events. Kingdom Hearts II begins where Kingdom Hearts: Chain of Memories and Kingdom Hearts 358/2 Days leave off. Sora and his companions have been asleep for about a year, regaining their memories. When Sora awakens, he eventually arrives in Twilight Town, the place where a mysterious boy, Roxas, lived before he suddenly left. Gaining new clothes and powers, Sora began his journey anew, unaware of the events that have taken place in Chain of Memories. Sora continues his quest by unlocking paths to new worlds, learning of Nobodies and fighting the Heartless, as well as facing the remaining members of the mysterious Organization XIII. As the game progresses, Sora learns about Roxas and how much they have in common. Birth By Sleep is the origins of the series' hero and villain, Sora and Xehanort, and delves deep into the mysteries of Xehanort's bleak past and forgotten memories as well as how Sora and Riku came to wield the Keyblade in the first place. It deals with three Keyblade Wielders: Terra, Aqua and Ventus and each character has their own scenario. Kingdom Hearts II and Birth by Sleep will take you to many places and we have them all covered here. Inside you will find: - Complete walkthrough coverage

for both Kingdom Hearts 2 and Birth By Sleep. - Side quests covered in detail from Absent Silhouettes to Atlantica. - Gummi ship missions and details. - Mirage Arena covered extensively. - Mini-games discussed and much, much more. This just a quick game guide to Sekiro: Shadows Die Twice. Main story and boss fights will be included in another game guide. This quick game guide is just give you some basic tips on how to play better in Sekiro. Thank you for buying this quick game guide and I hope you find it helpful. Also, please check out my other game guides here in Amazon. An action-adventure game developed by From Software studio, which takes us the alternate reality of 15th-century Japan. Sekiro: Shadows Die Twice focuses on an exploration of complex levels, sneaking and fights that resemble the Dark Souls series. Sekiro: Shadows Die Twice is an action-adventure TPP game with an emphasis on stealth. It is the work of the Japanese studio From Software and has been developed by Hidetaka Miyazaki himself, the creator of Dark Souls, Bloodborne, and Dark Souls III. The game is set in Japan of the 15th-century, in which historical features are mixed with fantasy. We play as a warrior given a task to rescue his master, an heir to an ancient bloodline, and get revenge on kidnapers. The hero - a titular Sekiro - is a one-handed man with a magical prosthesis in place of his lost limb. This isn't the only supernatural change in his body, as he is cursed to never find peace in death. He won't get eternal rest till he saves his master. Sekiro: Shadows Die Twice combines spectacular fights with stealth mechanics. We spend most of the time sneaking undetected under guards' noses and eliminate foes by surprise. However, we also regularly come into direct confrontation with them, which use a complex, arcade system resembling Dark Souls series. There are even breath-taking battles with powerful bosses. One of the key features comes in the usage of an artifact that replaced his right hand. It is useful for blocking attacks or activating retractable shield consisting of tens of blades. Additionally, the prosthesis is equipped with a hook with a chain that is invaluable during exploration. As levels in Sekiro: Shadows Die Twice are very expanded vertically, they give us many alternate routes to explore or attack unsuspecting enemies. As we progress through the game, our character grows stronger. But not through the typical RPG system of experience points being allocated to statistics. Instead, the hero learns new skills that open more possibilities. This unofficial guide to Sekiro: Shadows Die Twice is a compendium of knowledge about this very demanding production developed by FromSoftware. The guide is designed to help you get to know the basics of the game and understand its more complex mechanics. It will also help you to overcome all bosses and reach the finale of the expedition. The guide begins with Starting Tips, which offer a compilation of the most important elements of the game in a nutshell. This is also a chapter recommended for those, who have not previously had contact with the soulsborne genre and want to have a less troublesome start in this completely new adventure. All the important topics related to game mechanics are also described in more detail in separate sections of the guide - these include combat, exploration, sneaking (a very important novelty in relation to previous

games by FromSoftware), character development as well as death and its consequences. Apart from the walkthrough, we've also prepared a FAQ with answers to the most vital questions. There, you can learn things such as how to parry the attacks of opponents, how to get new prosthesis upgrades, in what order to explore the starting locations or how to deliver surprise attacks. Take revenge, restore your honor, kill ingeniously. From Software return with another epic, take control of a Shinobi in a world teeming with larger than life foes utilizing an arsenal of deadly prosthetic tools and ninja abilities. The guide for Sekiro: Shadows Die Twice features all there is to see and do including a walkthrough featuring every Gourd Seed, Prayer Bead, Shinobi Tool and more. Including indepth strategies on every boss and all endings. Inside Version 1.0 (07/05/2019) - Full Walkthrough of the main storyline - Coverage of all Collectibles - Trophy/Achievement Guide Coming Soon for Version 1.1 (14/05/2019) - Coverage of all endings - All NPC Questlines - Details on all skills and Shinobi Tools The Collector's Edition Guide comes in a hard cover featuring a bookmark, a quick reference card with useful tips and infos, behind the scenes content including additional concept art and an exclusive developer interview not available in the Standard edition. Tennessee has long hosted some of the United States' best big-brown-trout fisheries, yet somehow it has managed to stay under the radar. Until now. Longtime writer and flyfishing guide Don Kirk covers everything in his all new guide book the Flyfisher's Guide to Tennessee. Productive tailwaters like the Clinch River, South Holston River and Watauga River are covered in full detail, as are their tributaries and reservoirs. And Kirk goes well beyond the major drainages, deep into the Cherokee National Forest uncovering some gorgeous gems that will give up trout for days. From brook, brown and rainbow trout to bass and panfish, Kirk covers all the gamefish. Hatch charts, detailed maps, recommended flies, specialized techniques, accommodations, sporting goods and fly shops, restaurants and all other relevant information is included. Kirk gives you tips from a lifetime of flyfishing in Tennessee in this comprehensive volume. If you're ready to give the tailwater pigs a shot, or even if you just want to pluck some brookies from an idyllic mountain brook, you'll want this book. Tennessee is the next great destination - get in while you can. The brook trout (*Salvelinus fontinalis*) has captured the fascination of anglers for centuries, and some flyfishers devote lifetimes in pursuit of wild or native trophies. Yet 90 percent never

catch a brook trout over 14 inches. Why? Simple: the average angler doesn't know how to find them and rarely employs the specialized tactics required for hooking a large brook trout. Which is why well-known author of New England flyfishing, Lou Zambello, has written this new book, In Pursuit of Trophy Brook Trout: Techniques, Timing, and Territories. Zambello has fished for and guided anglers after wild trophy brook trout for decades. He has spent years deciphering seasonal migration patterns, aquatic life cycles, and weather events impacting brookie behavior. He's tested different flies and tactics, both on the surface and down deep. This book explains where big brookies can be found, when they are catchable, how to fool them, and how to land them, all while recounting illuminating trophy trout experiences. The beauty of a male trophy brook trout in spawning colors rivals any of nature's canvases - broad greenish flanks decorated with blue halos and the deep orange or burgundy of its underside highlighted by white-tipped fins that looked like an underwater baker had dipped them in vanilla frosting. Landing a wild or native brook trout that measure in pounds instead of inches should be at the top of everyone's bucket list. Read and reread this insightful new book and become one of the lucky few who can boast of landing a trophy wild brook trout.
