**Words Need Love Too** Dec 31 2019 Words Need Love Too represents both a summation " a drawing together of concerns that the poet has explored in his writings through the previous "years of salt" and a turning point, a hopeful new beginning. With hindsight we can already see the shadow of events like "the nine eleven" which happened when Brathwaite was in New York, living only blocks away from the World Trade Centre " that inevitably drives the poet and his writing back into explorations of the dread spectrum. But for the optimistic epithalamium moment of "Words Need Love Too" the visionary celebration of poems like "Agoue" again seems both possible and important to this poet whose early work had been as much about celebrating connection and the possibilities inherent in the Caribbean's rediscovery of its African heritage as it had been concerned to chronicle the barbarities and hurts of the process of cultural alienation that made such a rediscovery necessary. In terms of the prevailing tone of Brathwaite's later writing that optimistic moment may be short lived but Words Need Love Too serves as an important reminder of the emotional and spiritual range of this great Caribbean poet's work.

**Fuccboi** May 04 2020 "Terse and intense and new...I loved it." —Tommy Orange, author of *There There* "Fuccboi is its generation's coming of age novel...Utterly of its moment, of this moment."—Jay McInerney, *Wall Street Journal* A fearless and savagely funny examination of masculinity under late capitalism from an electrifying new voice. Set in Philly one year into Trump's presidency, Sean Thor Conroe's audacious, freewheeling debut follows our eponymous fuccboi, Sean, as he attempts to live meaningfully in a world that doesn't seem to need him. Reconciling past, failed selves—cross-country walker, SoundCloud rapper, weed farmer—he now finds himself back in his college city, trying to write, doing stimulant-fueled bike deliveries to eat. Unable to accept that his ex has dropped him, yet still engaged in all the same fuckery—being coy and spineless, dodging decisions, maintaining a rotation of baes—that led to her leaving in the first place. But now Sean has begun to wonder, how sustainable is this mode? How much fuckery is too much fuckery? Written in a riotous, utterly original idiom, and slyly undercutting both the hypocrisy of our era and that of Sean himself, Fuccboi is an unvarnished, playful, and searching examination of what it means to be a man. "Got under my skin in the way the best writing can." —Sheila Heti "Sean Conroe isn't one of the writers there's a hundred of. He writes what's his own, his own way." —Nico Walker, author of *Cherry*

**Love Is All You Need** Oct 01 2022 "It matters not who you love . . . or how you love, it matters only that you love."—John Lennon Every kind of love is glorious and deserves to be celebrated. This joyful little book takes pride in love's greatness, in all its various guises.

*All We Need Is Love* Dec 23 2021 "So, don't bring me the moon or the twinkling stars. I know that you love me wherever you are. Not even piles of presents, glittering palaces, or marching-band parades can compare to a nice big bear hug." This heartwarming tale full of imagination shows that love really is all we need.

**Love Don't Need a Reason** Feb 10 2021 From a stage erected in front of the US Capitol, on April 25, 1993, Michael Callen surveyed the throng: an estimated one million people stretched across the National Mall in the largest public demonstration of queer political solidarity in history. "What a sight," he told the crowd, his earnest Midwestern twang reverberating through loudspeakers. "You're a sight for sore eyes. Being gay is the greatest gift I have ever been given, and I don't care who knows about it." He then launched into a gorgeous rendition of "Love Don't Need a Reason," the AIDS anthem he composed with Marsha Malamet and the late Peter Allen. As Callen finished singing, people stood cheering and flashing the familiar American Sign Language symbol for "I Love You." For they knew the song's sentiment rang true for Callen, who had recently announced his retirement from music and activism after a living for more than a decade with what was then called "full-blown AIDS." After the March on Washington, Callen returned to his recently adopted West Coast home, Los Angeles. In the ensuing months, his health rapidly declined, and on 27 December 1993, Callen died of AIDS-related pulmonary Kaposi's sarcoma. *Love Don't Need a Reason* focuses on Callen's most important and lasting legacy: his music. A witness to the overlooked last years of Gay Liberation and a major figure in the early years of the AIDS crisis, Michael Callen chronicled these experiences in song. A community organizer, activist, author, and architect of the AIDS self-empowerment movement, he literally changed the way we have sex in an epidemic when he co-authored one of the first safe-sex guides in 1983. A gifted singer, songwriter, and performer, he also made gay music for gay people and used music to educate and empower People with AIDS. Listening again to his music allows us to hear the shifting dynamics of American families, changing notions of masculinity, gay migration to urban areas, the sexual politics of Gay Liberation, and HIV/AIDS activism. Using extensive archival materials and newly-conducted oral history interviews with Callen's friends, family, and fellow musicians, Matthew J. Jones reintroduces Callen to the history of LGBTQIA+ music and places Callen's music at the center of his important activist work. Matthew J. Jones is a musicologist and cultural critic. A first-generation college student from rural northern Georgia, he received a doctorate in Critical and Comparative Studies from The University of Virginia in 2014. His work explores the relationships between LGBTQIA+ culture, music, media, and activism and has appeared in *The Journal of the Society for American Music*, *The Journal of Popular Music Studies*, *Women and Music*, and the *Oxford Handbook of Music and Queerness*. In 2017, he won the ASCAP Deems Taylor/ Virgil Thompson prize for concert music criticism for his essay, "Enough of Being Basely Tearful: 'Glitter and Be Gay' and the Camp Politics of Queer Resistance." He is currently at work on a book titled *Popular Music-Making During the AIDS Crisis: 1981-1996* (Routledge, forthcoming).

**I Need Your Love - Is That True?** Sep 07 2020 In *Loving What Is*, bestselling author Byron Katie introduced thousands of people to her simple and profound method of finding happiness through questioning the mind. Now, *I Need Your Love—Is That True?* examines a universal, age-old source of anxiety: our relationships with others. In this groundbreaking book, Katie helps you question everything you have been taught to do to

gain love and approval. In doing this, you discover how to find genuine love and connection. The usual advice offered in self-help books and reinforced by our culture advocates a stressful, all-consuming quest for love and approval. We are advised to learn self-marketing and manipulative skills—how to attract, impress, seduce, and often pretend to be something we aren't. This approach doesn't work. It leaves millions of walking wounded—those who, having failed to find love or appreciation, blame themselves and conclude that they are unworthy of love. *I Need Your Love—Is That True?* helps you illuminate every area in your life where you seem to lack what you long for most—the love of your spouse, the respect of your child, a lover's tenderness, or the esteem of your boss. Through its penetrating inquiry, you will quickly discover the falseness of the accepted ways of seeking love and approval, and also of the mythology that equates love with need. Using the method in this book, you will inquire into painful beliefs that you've based your whole life on—and be delighted to see them evaporate. Katie shows you how unraveling the knots in the search for love, approval, and appreciation brings real love and puts you in charge of your own happiness. "Everyone agrees that love is wonderful, except when it's terrible. People spend their whole lives tantalized by love—seeking it, trying to hold on to it, or trying to get over it. Not far behind love, as major preoccupations, come approval and appreciation. From childhood on, most people spend much of their energy in a relentless pursuit of these things, trying out different methods to be noticed, to please, to impress, and to win other people's love, thinking that's just the way life is. This effort can become so constant and unquestioned that we barely notice it anymore. This book takes a close look at what works and what doesn't in the quest for love and approval. It will help you find a way to be happier in love and more effective in all your relationships. What you learn here will bring fulfillment to all kinds of relationships, including romantic love, dating, marriage, work, and friendship." —Byron Katie

**Love and Respect in the Family** Apr 02 2020 The secret to parenting success is out! Children need love, parents need respect. It's as simple and complex as that. Bestselling author Dr. Emerson Eggerichs has studied family dynamics for more than 30 years, earning a Ph.D. in Child and Family Ecology. As a senior pastor for nearly two decades, he builds on a foundation of strong biblical principles, walking the reader through an entirely new way to approach the family dynamic. When frustrated with an unresponsive child, a parent doesn't declare, "You don't love me." Instead, the parent asserts, "You are being disrespectful right now." A parent needs to feel respected, especially during conflicts. When upset a child does not whine, "You don't respect me." Instead, a child pouts, "You don't love me." A child needs to feel loved, especially during disputes. But here's the rub: An unloved child or teen negatively reacts in a way that feels disrespectful to a parent. A disrespected parent negatively reacts in a way that feels unloving to the child. This dynamic gives birth to the FAMILY CRAZY CYCLE. This book teaches you to: See love and respect as basic family needs Stop the Family Crazy Cycle of conflict Parent in six biblical ways that energize your children Discipline defiance and overlook childishness Be the mature one since parenting is for adults only Become a loving parent in God's eyes, regardless of a child's response Based on what the Bible says about parenting, this book focuses on achieving healthy family dynamics. Dr. Eggerichs offers unprecedented transparency from his wife and three adult children, who share wisdom gained from the good, the bad, and the ugly of their family life. It's all here in this eye-opening exploration of the biblical principles on parenting that can help make families function as God intended.

*Bad Boys Need Love Too* Oct 28 2019 "You won't let anybody else have you, Joseph. I won't let anybody else have you. I want you all to myself." - Gage Mason We've all had our experience with him. The Bad Boy. The one we've been warned about. The one with rips in his jeans and a lazy, devil may care smile on his mouth. The one who makes you do bad things that feel so good. For me it was Gage Mason. We met when he worked on my Ducati. I knew immediately he was trouble, but something about that Bad Boy drew me in. Maybe it's his dark eyes that study me like he wants to know everything about me. Maybe it's the way he makes me feel; the rough touch of his hands, his possessive grip on my hair when we kiss, the way he feels deep inside me. Or maybe it's the way he needs me, even though he won't admit it. For once in my life I'm taking a risk. Despite everything that tells me I shouldn't, I'm taking a chance to be with Gage. I don't know if it will end well, but I do know I can't resist that Bad Boy. Joseph Naderi

*All You Need Is Love* Nov 02 2022 Written decades before *Eat, Pray, Love*, this inspiring memoir details one woman's incredible journey through India to bring Eastern spirituality to the Western world. Even before she arrived at the ashram of Maharishi Mahesh Yogi, founder of Transcendental Meditation, in Rishikesh, India, a city at the foothills of the Himalayas along the banks of the Ganges River, in 1962, Nancy Cooke de Herrera lived a lifetime of adventure. During the 1950s, she traveled the globe as a goodwill ambassador of the US State Department, giving lectures on American fashion, culture, and customs. But when her beloved husband, Luis, died, de Herrera sought a life of greater meaning. The Maharishi became her guru, mentor, and friend, and in return she served as his publicist, spreading his message of peace and love wherever she went. In this remarkable autobiography, with a foreword by Deepak Chopra, de Herrera recounts not only her international escapades but also her inner journey to spiritual enlightenment. Trained by the Maharishi, she returned home and taught meditation to troubled youth, HIV/AIDS patients, and celebrities such as Madonna, Sheryl Crow, and Greta Garbo. Her publicity efforts led to the explosion of interest in meditation, yoga, and Eastern spirituality in America. Rich in endearing anecdotes about life at the ashram with famous visitors, including the Beatles, Mia Farrow, and Mike Love, and pieces of timeless wisdom, *All You Need Is Love* reveals a life lived with compassion, open-mindedness, and the belief that one person can change the world.

Professionals and parents alike will enjoy this well-written and insightful text. Outstanding!' - Susan Lowell, educational therapist, Chapel Hill, North Carolina 'This is a book that makes us look within as parents ... Reinforces the "basics on parenting" in a great way and leaves an impression! The section dealing with teens and pre-teens is especially good.' - Namrata Singh, www.amazon.com I accept and love you the way you are. You are unique, you are different and you are you. I will not compare you with others, I will not constantly keep expecting and demanding what you might not be able to do or give. As parents, we foist our dreams and aspirations on our children, push them to be more than we could ever be. But do we have the courage and honesty to look within and ask what drives our parenting - our own needs or those of our children? More crucially, are we able to accept them and respect them for who they are? Child & adolescent psychologist and family therapist Shelja Sen formulates five anchors of parenting to help you connect with the immense wisdom that is already present in you: Connect (create the foundation of parenting); Coach (build the necessary skills in children through an understanding of their unique wiring and temperament); Care (nurture ourselves for a more wholesome life); Community (build caring ecosystems for children to thrive in) and Commit (sustain the courage and compassion). Groundbreaking, essential reading.

**Love Is All You Need** Apr 26 2022 From the New York Times bestselling author of *Through a Dog's Eyes*—the inspiration for the PBS documentary—a paradigm-shifting approach to living with and loving our dogs. There are few people who understand dogs better than Jennifer Arnold. Twenty-five years after she founded Canine Assistants, a nationally recognized nonprofit that raises and provides service dogs for people with disabilities, Arnold had an epiphany. She'd always approached the education of dogs with kindness and compassion—eschewing the faux science of fear and domination-based training methods. And she'd always understood dogs to be uniquely, uncannily attuned to their human companions; in fact she depended on it—she knew that the bond that developed between a person and their service dog was the single greatest predictor of that partnership's success and, conversely, failure to bond brought about anxiety and distress in dogs. But it wasn't until recent scientific findings confirmed her hands-on experience with dogs' intuitive social skills that she was willing to put this bold idea to the test: Dogs who bond with us completely and unconditionally will seek to please us and, with minimal cues, can learn to make remarkably sophisticated decisions about their own behavior. Sure, dogs can be taught commands such as “sit,” “stay,” and “heel,” but even the kindest reward and punishment models were merely manipulating dogs' behavior, rather than unleashing their unique social genius and innate ability to navigate the world. In this groundbreaking, persuasive, and heartfelt book, Arnold shows us how every dog—no matter their age—can thrive through Bond-Based Choice Teaching. Her proprietary method has been hailed by leading canine behavioral scientists and is being adopted by notable dog trainers, advocates, humane societies, and puppies behind bars programs across the country. For this liberating, revolutionary method to succeed, Arnold says, love really is all you need. Advance praise for *Love Is All You Need* “Jennifer Arnold, who has trained service dogs for the past twenty years for people with physical disabilities, offers a window into the world of ‘man's best friend.’ Arnold, who believes that dogs are attuned to their owner's needs and emotions, shares tips she thinks every dog owner should know.”—ABC News “[Arnold] takes pride in facilitating the powerful relationship between every service dog and its owner—a bond that is as much about companionship and comfort as it is about health and safety.”—Everyday Health “Within the world of dogs and canine behavior there are only a handful of people who truly ‘move the needle’ when it comes to innovation, novel approaches, and intuitive thinking—Jennifer Arnold is one of those rare few. Constantly pushing boundaries of traditional thought, she not only provides fresh perspectives about how we interact with and learn from man's best friend, she fearlessly forges new paths that stimulate and engage dog lovers as well as behavior experts and explores possibilities which previously may have seemed out of reach.”—Victoria Stilwell, star of *Animal Planet's It's Me or the Dog* and CEO of Victoria Stilwell Positively Dog Training

**Rush** Aug 31 2022 We think we will be happy when we have some downtime-when we can finally go on vacation, disconnect, shut down. But in this provocative book, Todd Buchholz will convince you that what you really want is to chase your tail-even if you never catch it. Weaving in everything from neuroeconomics to evolutionary biology to renaissance art to General Motors, Buchholz will convince you that the race to compete has not only made us taller and smarter, it's what we love and need. Among the book's many counterintuitive takeaways are: \* Put off retirement-it can make you stupid. \* We all need to be control freaks. \* In-house competition is actually great for morale. \* Never let the ninth place team take home a trophy. Witty, breezy, and very funny, Todd Buchholz shows that it's the race itself that literally delivers the rush, even if we never reach the finish line.

**All About Love** Jul 06 2020 A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. “The word ‘love’ is most often defined as a noun, yet we would all love better if we used it as a verb,” writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question “What is love?” her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the “100 Visionaries Who Can Change Your Life.” *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

**Small Walt** Oct 09 2020 “It's a perfect book for revving up small helpers to pitch in with the shoveling.”—The Wall Street Journal “Charming and endearing.” —Kirkus Reviews (starred review) “The grit of *The Little Engine that Could*, the nostalgic illustrations of *Katy and the Big Snow*, and a touch of modernity from an accomplished author and illustrator, combine to become *Small Walt*.” —School Library Journal A tiny snowplow determined to prove his worth battles a blizzard in this supremely charming story in the tradition of *Mike Mulligan and His Steam Shovel* and *The Little Engine that Could*. My name is Walt, I plow and I salt.

They say I'm small, but I'll show them all. Small Walt and his driver, Gus, take on a blizzard! All the bigger snowplows doubt that Walt has what it takes to plow the roads in the storm, but Walt is determined to prove them wrong. Brimming with onomatopoeia and Walt's affirming chants, this sweet picture book shows that when it comes to strength, size doesn't matter. Bestselling illustrator Marc Rosenthal's wintry scenes make this book the perfect cozy read-aloud.
