A few years have passed since Catherine's time in the The Juliette Society, but things haven't been going the way she planned. Her life with her fiancé Jack has become predictable and boring, especially in the bedroom. Now working as a journalist, she struggles to find inspiration in her work or at home—until she starts writing about the death of a publicly beloved model, Inana Luna, whose experiences reflect Catherine's own blossoming sexuality and independence. Like the Roman god Janus, Catherine is simultaneously looking to the past and the future. Can her experiences with The Juliette Society, along with Inana's diary, help her figure out what she really wants in life, love, and sex? Bennie is an aging former punk rocker and record executive. Sasha is the passionate, troubled young woman he employs. Here Jennifer Egan brilliantly reveals their pasts, along with the inner lives of a host of other characters whose paths intersect with theirs. "Pitch perfect.... Darkly, ripplingly funny.... Egan possesses a satirist's eye and a romance novelist's heart." —The New York Times Book Review

A Newbery Honor Book. Sasha Zaichik has known the laws of the Soviet Young Pioneers since the age of six: The Young Pioneer is devoted to Comrade Stalin, the Communist Party, and Communism. But now that it is finally time to join the Young Pioneers, the day Sasha has awaited for so long, everything seems to go awry. He breaks a classmate's glasses with a snowball. three fast-paced, suspense-packed legal thrillers in the Sasha McCandless series by USA TODAY Bestselling Author Melissa F. Miller!

Irrevocable Trust (Book 6) The Federal Witness Protection Program has never lost a witness--until now. When Allison Bennett is brutally murdered in rural North Carolina, six children are left motherless, and a dangerous enemy puts into motion a plan to bring Sasha and Leo to their knees. The first year of marriage is challenging enough. But throw in a murderous escaped felon bent on revenge and six grieving kids with nowhere else to turn, and suddenly Sasha and Leo are facing their most difficult test to date. It will take all their courage, ingenuity, and teamwork to prevail--and if they can get through this, surviving marriage will be a breeze. Irrefutable Evidence (Book 7) Sasha's knee-deep

in an insurance coverage case, determined to finish discovery before her upcoming first anniversary trip to a tropical island. When she uncovers evidence of an arson-for-profit conspiracy buried in the thousands of pages of documents, she's tempted to ignore it. But that's not Sasha's style, so she takes the information to the authorities. Suddenly, instead of jetting off to Fiji, Sasha and Leo find themselves on the run from a hit man determined to cover up the crimes. They race to a deserted barrier island to hide out. Unfortunately for them, both the killer and a winter storm are headed their way. Sasha and Leo face the fight of their lives, and the stakes are higher than even they realize. *The Humble Salve* (Novella 3; Book 7.5) Sasha and Connelly are entering the home stretch ... Sasha's 39+ weeks pregnant and just a tiny bit cranky. Connelly's just a tiny bit panicked. The couple's excitement at their impending arrival is mixed with a dash of nerves, a touch of chaos, and a hint of danger. And too many surprises to count. On alternating weeks, Sasha and Ray vacation in the beach house their parents refused to give up after their divorce, but they never meet until one summer when their lives and those of their siblings intersect in ways none of them could have imagined. The pendulum has shifted in Catherine's life once again. Four years after peeling back the curtain on *The Janus Chamber*, we find her now ironically working as a political journalist, settled into a mundane routine and dating life because she chose to tell the truth about Inana Luna instead of embracing a life of decadence with *The Juliette Society*. Meeting a man who reignites her passion for cinema and guilt-free sex makes her realize what she's been missing, but an unwanted scandal douses the flame. Forced to lay low, she finds an opportunity to take back her career with a human interest story in Honduras, but there are people who see Catherine's article as a threat and will do everything they can to stop her from writing. The world she finds is unlike anything she's ever seen. Catherine is *The Mismade Girl*, and as her life is turned upside down, she must choose to either perish . . . or be remade anew. Sixteen-year-olds Wilhelmina and April meet at Wellness Springs, a posh fat camp in California. Wil is nothappy to be there - her parents own a chain of gyms and see their overweight daughter as a PR disaster - so she plans not to lose a pound all summer in order to get back at them. April, on the other hand, can't believe her luck. She's been saving for a whole year to come to Wellness Springs after she saw it featured in *Teen Vogue*. She can't wait to work off her excess weight, and then bring on the guys! Assigned to be room mates and work-out partners, the girls hate each other from the start. And things get worse when they both go after the same guy. Can Wil make it through the summer, and finally be accepted by her parents? Will April ever find someone willing to be a real boyfriend, even though she may never be skinny? A funny and poignant novel about friendship and self-acceptance. Sasha loves the wind--or does he? In book three of the *Tales of Sasha* series, Sasha makes friends with one of the flying horses, but will she forget about her better-than-best friend Wyatt? Sasha and her better-than-best friend Wyatt have successfully made the journey beyond the trees that line their valley to discover Crystal Cove, a land where other flying horses live! Sasha is very excited to get to know these flying horses, and she makes friends with a spunky flying horse named Kimani. But Kimani is unsure of Wyatt since he doesn't have wings, and Wyatt is anxious to get home to Verdant Valley. Can Sasha figure out a way to make her friends get along? “*Vita Nostra*” — a cross between Lev Grossman’s “*The Magicians*” and Elizabeth Kostova’s “*The Historian*” [...] is the anti-Harry Potter you didn’t know you wanted.” -- *The Washington Post* “*Vita Nostra* has become a powerful influence on my own writing. It’s a book that has the potential to become a modern classic of its genre, and I couldn’t be more excited to see it get the global audience in English it so richly deserves.” -- *Lev Grossman Best Books of November 2018* -- *Paste Magazine* The definitive English language translation of the internationally acclaimed Russian novel—a brilliant dark fantasy combining psychological suspense, enchantment, and terror that makes us consider human existence in a fresh and provocative way. Our life is brief . . . Sasha Samokhina has been accepted to the Institute of Special Technologies. Or, more precisely, she’s been chosen. Situated in a tiny village, she finds the students are bizarre, and the curriculum even more so. The books are impossible to read, the lessons obscure to the point of maddening, and the work refuses memorization. Using terror and coercion to keep the students in line,

the school does not punish them for their transgressions and failures; instead, it is their families that pay a terrible price. Yet despite her fear, Sasha undergoes changes that defy the dictates of matter and time; experiences which are nothing she has ever dreamed of . . . and suddenly all she could ever want. A complex blend of adventure, magic, science, and philosophy that probes the mysteries of existence, filtered through a distinct Russian sensibility, this astonishing work of speculative fiction—brilliantly translated by Julia Meitov Hersey—is reminiscent of modern classics such as Lev Grossman’s *The Magicians*, Max Barry’s *Lexicon*, and Katherine Arden’s *The Bear and the Nightingale*, but will transport them to a place far beyond those fantastical worlds. An enthralling journey into the world of chess—a story of heartbreak, obsession, failure, and the hunger for greatness—Sasha Chapin is a victim of chess. Like countless amateurs before him—Albert Einstein, Humphrey Bogart, Marcel Duchamp—the game has consumed his life and his mind. First captivated by it as a member of his high school chess club, his passion was rekindled during an accidental encounter with chess hustlers on the streets of Kathmandu. In its aftermath, he forgot how to care about anything else. He played at all hours, for weeks at a time. Like a spurned lover, he tried to move on, but he found the game more seductive the more he resisted it. And so, he thought, if he can't defeat his obsession, he had to succumb to it. All the Wrong Moves traces Chapin's rollicking two-year journey around the globe in search of glory. Along the way, he chronicles the highs and lows of his fixation, driven on this quest by lust, terror, and the elusive possibility of victory. Stylish, inventive, and laugh-out-loud funny, *All the Wrong Moves* is a celebration of the purity, violence, and beauty of the game. Sasha has decided to forge a life outside of the Clans and away from Tigerstar's evil plots and plans. But life as a rogue is much harder than she expects, and Sasha soon starts to lose hope. Will she be forced to wander alone forever, scrapping for every meal and fighting with the cruel, territorial cats who dwell in the alleys of Twolegplace? In book three of the *Tales of Sasha* series, Sasha makes friends with one of the flying horses, but will she forget about her better-than-best friend Wyatt? Sasha and her better-than-best friend Wyatt have successfully made the journey beyond the trees that line their valley to discover Crystal Cove, a land where other flying horses live! Sasha is very excited to get to know these flying horses, and she makes friends with a spunky flying horse named Kimani. But Kimani is unsure of Wyatt since he doesn't have wings, and Wyatt is anxious to get home to Verdant Valley. Can Sasha figure out a way to make her friends get along? She's the maddening, ridiculously cute trespasser who sneaks on my property to play with my rocks. (No euphemism--she really does just look at rocks.) He's the grumpy, unbelievably handsome rancher who has the best rocks to study in the area. (What on earth would rocks be a euphemism for?) After months of resisting the urge, I finally haul her over my shoulder to escort her off my land. Really, why I haven't done it before now is beyond me. After months of being clueless, I finally notice that his land isn't the only thing hard around me. Really, how it escaped my attention before now is beyond me. She's so damn responsive. He's so brawny and burly. The next time she sneaks in, I'm ready for her. The next time I sneak in, he shocks the heck out of me. To be fair, the woman is utterly injury-prone. To be clear, the man has apparently lost his ever-loving mind. I just want her to stay safe and out of trouble for a change. For a few hours, tops, while I take care of some ranch things that can't wait. So...I cuff her to the bed. And now I'm wondering what the hell's going to happen next. His constant alpha protectiveness is, yes, very sweet, but seriously? I should be more outraged by this. Really, I should be. But...now I'm kind of curious what's going to happen next. * * * * * NOTE: This high-heat, low-drama standalone is a HOT, swoony rom-com chock-full of feel-good fun. forever. If it weren't for the 57 bus, Sasha and Richard never would have met. Both were high school students from Oakland, California, one of the most diverse cities in the country, but they inhabited different worlds. Sasha, a white teen, lived in the middle-class foothills and attended a small private school. Richard, a black teen, lived in the crime-plagued flatlands and attended a large public one. Each day, their paths overlapped for a mere eight minutes. But one afternoon on the bus ride home from school, a single reckless act left Sasha severely burned, and Richard charged with two hate crimes and facing life imprisonment. The 57 Bus is Dashka Slater's true account of the case that garnered international attention and thrust both teenagers into the spotlight. When Sasha disappears, Ellen fears the worst. Then long-buried secrets resurface, Ellen realizes she may not know Sasha -- or what she's capable of -- at all. 2005: 17 year old Ellen falls under the spell of glamorous newcomer, Sasha. Sasha has returned to the forest to raise her kits, Moth, Hawk, and Tadpole, but Tigerstar still haunts her dreams. She thinks she's a safe distance from ShadowClan's prying eyes, but Sasha fears that Tigerstar will soon discover the existence of his kits. As leaf-bare stretches on and Sasha finds it harder to feed her family, she wonders if her kits might be better off as warriors, with a Clan to protect and train them. But where does Sasha belong? "A charming book, ringing with the joy of existence." -- Richard Dawkins "This lyrical exploration of how we can find beauty in the natural world comes from the daughter of Carl Sagan . . . A wonderful gift for your favorite reader." --Good Housekeeping The perfect gift for a loved one or for yourself, For Small Creatures Such as We is part memoir, part guidebook, and part social history, a luminous celebration of Earth's marvels that require no faith in order to be believed. Sasha Sagan was raised by secular parents, the astronomer Carl Sagan and the writer and producer Ann Druyan. They taught her that the natural world and vast cosmos are full of profound beauty, that science reveals truths more wondrous than any myth or fable. When Sagan herself became a mother, she began her own hunt for the natural phenomena behind our most treasured occasions--from births to deaths, holidays to weddings, anniversaries, and more--growing these roots into a new set of rituals for her young daughter that honor the joy and significance of each experience without relying on religious framework. As Sagan shares these rituals, For Small Creatures Such as We becomes a moving tribute to a father, a newborn daughter, a marriage, and the natural world--a celebration of life itself, and the power of our families and beliefs to bring us together. When Sasha is forced to leave her cozy home and her human owners for life in the wild, she soon meets Tigerstar, the enigmatic leader of ShadowClan, but she does not know if she can trust him or his offer of a place with his Clan.
