This is Book 3 in the series "The Academy". It's late Friday night and The Annual Student Kick-off Dance has just wrapped up. This is the last weekend before classes and the new semester start on Monday at The Academy. The private boarding college is a prestigious school run by an all female faculty with a no nonsense, zero tolerance policy for misbehavior. Principal Kate and her peer Ms. Jenn are members of the faculty that have become really close friends. The two vibrant and attractive women share a unique friendship and bond as they have so much in common including kink and few hidden secrets! They are both in a position of power at the school and they frequently administer bare bottom spankings as a discipline method with no hesitation at all to wayward students. Both of these strong, professional women are extremely creative, totally uninhibited, and fully in touch with their sexuality, as well as, their desires and needs. Jenn is frustrated with her boring, vanilla sex life and years of marriage to a husband with zero passion. She has the entire weekend free since her kids and him are away visiting his parents in another state. Kate can totally relate as she was in this same exact position until her divorce. She's been sharing erotic ideas, suggestions, and trying to help Jenn add some excitement into her marriage and her life. They both have been revved up all day talking

about fulfilling fantasies and having a "Play Date". So just wait until you read all about what happens when two strong women with this much creativity and this much kink inside of them have total freedom for the weekend. Book 3 - "Play Date" Is a pure roller coaster ride of erotic, kinky, sexual adventures and fetishes that will leave you salivating! When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down. "A detailed, eye-opening account of the real

sexual underground in America . . . a thorough and serious study.”—Playboy From *Different Loving*: In order to understand unusual sexualities such as dominance and submission, one first has to consider the question ‘What is normal?’ If the unique function of sex is reproductive—and the only reason men and women should engage in sex is for the purpose of creating a new life—then only heterosexual intercourse is normal. By this standard, many common acts, even contraception, must be considered aberrant. Reproductive relevance was the Victorian standard of normalcy, and even today many of the laws in the United States still abide by that model. But people have always pursued sex for both reproduction and for pleasure and well-being. We start from the premise that sex for pleasure is a normal human drive and is acceptable when it brings pleasure to both partners. From this perspective, D&S is simply a ‘different’ kind of loving. We hope to add to the greater body of knowledge about what people really do behind closed doors with the people they most love and trust. Perhaps *Different Loving* will help open the door for further research into the mystery, beauty, and complexity of human life and its diverse expressions. Praise for *Different Loving* “The definitive guide to the sexual styles of those who walk on the wild side.”—Kirkus Reviews “As a window on largely unexplored territory, *Different Loving* is a breakthrough in the dialogue on human sexuality, and a significant work of popular sociology.”—South Bend Tribune “A comprehensive primer on loving with leather and romance by riding crop.”—Michael Musto, *New York Daily News* London 1910. Harry Wetherby is a problem. Expelled from the top schools in England: wild, violent, uncontrollable. His socialite mother engages Genevieve Archer, a young governess with a reputation for discipline: she specialises in "difficult cases" but Harry is fast discovering manhood... Genevieve will educate the young man at the family's country house, away from the temptations of London, and she won't spare the rod, but an attractive and determined young lady has other weapons... Darkly

erotic attractions lurk, but should they fall for each other Harry's fabulously wealthy mother will almost certainly break them apart. Then there is the approaching war. A conflict unlike any the world has ever seen. A war that will leave millions crippled or dead in the trenches of Flanders and the Somme... A story of forbidden fruit, dominance, love, heartache and war. Filled with vivid characters, poverty, wealth, arson, embezzlement, murder, and the long slow pain of parting... "Blows 50 Shades clean out of the water. You HAVE TO read this book..." Hush Hush Biz"Koski's best yet! Fiery erotic scenes of domination, and heart-rending narrative that draws you in and holds you. You won't put this one down!" Tom Baddeley. Book Review Blog Site Here are thirty-five brief, short-story fantasies that treat femdom castration as a highly-erotic, seductive and fetishistic activity. Emphasis is on the female-dominant/male-submissive relationship and not on the gory details of the climactic act itself. The mode of the domination is purely assertive, as if it were a woman's simple, basic prerogative. No violence, gore or harsh verbal abuse is used. These little vignettes take place in a contemporary world where this kind of radical emasculation is deliciously rare and exotic but at the same time perfectly acceptable. The general settings are: suburbia, a clinic or a farm. I know how disappointing it is when you get false hopes up that a work of erotic fiction will be featuring one's favorite fetishistic details. So, in particular, the reader should be warned that no penectomy or full-blown feminization takes place. The cover art is by Sorenutz and is taken from a commission I paid him to draw. Winner of the AASECT Book Award for Sexuality Professionals 2022! Despite the increasing visibility of trans and non-binary folx in media, political representation, and popular culture, their sexual lives and erotic embodiments are woefully under-attended-to in both scholarship and clinical practice. The aim of this book is to equip providers with both

conceptual frameworks and concrete tools for better engaging their trans, non-binary, and gender expansive clients in pleasure-centered discussions of sexual health. Challenging the dominant images of trans sexualities that appear in the existing literature, such as an emphasis on avoiding gender dysphoria, the preservation of sexual function, or on sexual losses that may arise as a result of transition pathways, *Trans Sex* offers a pleasure-positive approach to working with trans clients. Providing concrete clinical practices and practical activities that utilize social justice, intersectional trans feminism, and radical queer theory as key conceptual frameworks, this groundbreaking text is designed to be accessible to a wide range of providers. This book draws on Fielding's experiences as both a trans client/patient and as a therapist to shift and expand the conversation and includes contributions from other trans and non-binary providers working at the intersection of gender-affirmative care and sexuality. *Trans Sex* seeks to move trans sexualities from the margins of gender-affirmative clinical practice, to center pleasure, and to spark creativity and empathic attunement within the client-provider relationship. Whether they be mental health or medical providers, trainees, or seasoned practitioners in gender-affirmative work or sexualities, readers will be able harness creative strategies to enhance their practice and become more imaginative providers. In a society where sexualized media has become background noise, we are frequently discouraged from frank and open discussions about sex and offered few tools for understanding sexual behaviors and sexualities that are perceived as being out of the norm.

This book encourages readers to establish new ways of thinking about stigmatized peoples and behaviors, and to think critically about gender, sex, sexuality and sex crimes. *Sexual Deviance and Society* uses sociological theories of crime, deviance, gender and sexuality to construct a framework for understanding sexual deviance. This book is divided into four units: Unit I, *Sociology of Deviance and Sexuality*, lays the foundation for understanding sex and sexuality through sociological frameworks of deviance. Unit II, *Sexual Deviance*, provides an in depth dialogue to its readers about the sociological constructions of sexual deviance with a critical focus on contemporary and historical conceptualizations. Unit III, *Deviant Sexual Acts*, explores a variety of deviant sexual acts in detail, including sex in public, fetishes, and sex work. Unit IV, *Sex Crimes and Criminals*, examines rape and sexual assault, sex crimes against children, and societal responses to sex offenders and their treatment within the criminal justice system. Utilizing an integrative approach that creates a dialogue between the subjects of gender, criminology and deviance, this book is a key resource for students interested in crime and deviance, gender and sexuality, and the sociology of deviance. An experience is the process of personally participating in an activity, event or lifestyle. Fantasy does not always translate over to reality because reality must contend with the bodily limitations of the physical world, whereas fantasy enjoys the unlimited boundaries of the imagination. Nevertheless, fantasy is often the product of reality. For one person's fantasy is another person's reality. ; ;Notable FemDom author Elise Sutton examines the Female Domination lifestyle by taking the reader into the personal relationships and sexual practices of everyday people who live astonishing secret lives. ; ;Elise adds her insight and commentary as she examines what constitutes a successful FemDom relationship. DescriptionFrom age 17 German young men, no matter if they enlist or are conscripted to serve their country, are legally obliged to subject themselves to repeated, humiliating

medical examinations carried out mainly by female staff. Military regulations and old perverted habits demand they strip, present testicles, pull foreskin back, turn, bend forward and spread their buttocks for inspection. What once was seen as a suitable induction to Hitler's tyrannical army and conducted by medics of dubious repute has today, 65 years later, been turned into a bizarre manifestation of 'gender equality' at work.... Mental suffering due to these abusive 'health' interventions is widespread throughout the country, but nobody accepts responsibility. Even medical boards are silent and pass the buck. 'So is the law.' 'We just follow orders and regulations.' Last time such excuses were heard on a broader scale was in Nuremberg. MUSTERUNG discloses a huge state-sanctioned, sadomasochistic scandal which until now only has been protected by its status as taboo. About the Author Lars G Petersson is a 58 year old Swedish-born Londoner, activist and free-lance writer with special interest in peace, mental health, social justice and human rights. He is the author of a large number of articles and three books: DESERTERS (Danish Resistance Museum Publishing, 2005), ABUSE UK (Chipmunkpublishing, 2010) and MUSTERUNG (Chipmunkpublishing 2010) . Trained as a nurse - specialising in mental health, social issues and addiction - Lars G Petersson has persistently used his insider knowledge to disclose matters otherwise hidden from public scrutiny. In a number of cases this has led to serious public debate and major improvements for vulnerable people. In one case criticism of serious maltreatment of (non criminal) Iran/Iraq war deserters in a Copenhagen prison (Amnesty International Report 1991) led to significant improvements in the treatment of refugees in Denmark. In another, Petersson's disclosures from a psychiatric unit under the Danish Ministry of Defence led to major reforms in military 'training methods' of recruits. As a conscripted soldier Lars G Petersson served in the Swedish air forces. He has gathered extensive knowledge about German politics and society ever
