If you have ever wondered if you might be psychic, this book may hold the answer to this most intriguing question. As you will see, everybody has some psychic ability. Are You Psychic? is a fascinating and revealing look at our extrasensory powers. Author and professor of parapsychology Dr. Hans Holzer explores all the various forms of the psychic experience—foretelling the future, interpreting psychic feelings, thought transference, and past-life memories, among others. He explains, in clear and understandable language, what they are, how they work, and what you can do to develop your own inner abilities. He delves into the history of psychic abilities; discusses the psychic experiences of dreams, déjà vu, and out-of-body experience; and shows how natural healing can be a form of the human psychic ability. Throughout the book, Dr. Holzer gives examples of real-life psychic phenomena that illustrate how these powers work—and demonstrate that they are very real. If you are one of those people who have had their fair share of those "funny coincidences," maybe it's time to find out more. Heighten your intuition, connect with deceased loved ones, and surpass the psychological roadblocks holding you back with psychic medium Rebecca Rosen's fresh and hip prescriptive program, a unique and refreshing blend of self-help wisdom and psychic insight. In *Spirited*, readers can learn how to dig into their past to identify the root of the "damage" that's keeping them from living their best lives. In her colorful and youthfully vibrant voice, medium-to-the-stars Rebecca Rosen shows us how to draw on the power of our intuitive gifts to connect with spirit energy—loved ones who have passed—to provide the clarity necessary to master real-life issues, including relationships, job fulfillment, finances, and body image. America's top psychic medium reflects on his life of speaking to Spirit and the lessons he's learned along the way—from both the living and the dead. Matt Fraser is just an ordinary guy...who happens to talk to dead people. Born into a psychic family, Matt carries on the legacy passed down from his late Grandmother Mary by connecting people to their dearly departed loved ones and

delivering messages from the other side. His sold-out live group readings, television appearances, and private readings have allowed him to bring hope and healing to fans from around the world. But people who are not in the habit of talking with the dead have a hard time imagining what his day-to-day life is like. Based on the questions he gets, they seem to think he spends most of his time sitting cross-legged in a trance, maybe hovering a few inches off the ground, leaving his physical body behind as he journeys across the veil to the spirit realm. But it's not like that at all. Now, in *When Heaven Calls*, Matt opens up about it's really like to be a psychic medium—including how he discovered his spiritual gift, what it's like to connect with souls on the other side, what communicating with the dead has taught him about embracing life, and how you can tap into your own intuitive awareness to manifest your dreams, goals, and desires.
