## **Teach Like a Champion, Enhanced Edition** Jan 30 2020

This special enhanced edition of Teach Like a Champion brings to life the 49 essential teaching techniques from Doug Lemov. In his best-selling book, Teach Like a Champion, Doug Lemov helps new and veteran teachers working with students of all ages become champions in the classroom. These powerful techniques are concrete, specific, and easy to put into action immediately. In this enhanced edition of Teach Like a Champion, the reader will find all the great content in the original book but all 25 video clips are integrated and playable within the chapters. Read the technique description and see it in action immediately! The enhanced edition makes the invaluable content even more accessible and engaging. It's perfect for personal professional development as well as for use in group settings. Among the techniques: **\*\*Technique #1: No Opt Out.** How to move students from the blank stare or stubborn shrug to giving the right answer every time. **\*\*Technique #22: Cold Call.** In order to make engaged participation the expectation, call on students regardless of whether they have raised their hands. **\*\*Technique #35: Do It Again.** When students fail to successfully complete a basic task, from entering the classroom quietly to passing papers around, doing it again, doing it right, and doing it perfectly, results in the best consequences. Highlights of the enhanced edition include: **\*\*A complete digital version of the print book.** **\*\*25 seamlessly integrated video clips of champion teachers demonstrating successful techniques with their students.** **\*\*A new bonus Video Introduction with**

author Doug Lemov. Hear Doug's suggestions on how to use the book, and why he thinks this new enhanced format of Teach Like a Champion is perfect for busy educators!

**Exemplary Literacy Teachers, Second Edition** May 28 2022 Identifying what exemplary teachers know and do to promote literacy achievement at every grade level, this highly motivating book provides step-by-step guidance for professional development. It helps teachers assess their strengths and build their competencies in six key domains of literacy instruction directly linked to student success. Featuring skills-building exercises, sample lesson plans, book lists, and over a dozen reproducibles, the book

illustrates specific actions that teachers can take to emulate their most effective colleagues in school districts around the country. New to This Edition \* Revised and updated based on the authors' professional development work with over 20,000 educators. \* Expanded to cover K–12 (prior edition covered K–5). \* Now includes material for literacy coaches and administrators, as well as teachers. \* "Teacher-in-Action" cases offer vivid snapshots of exemplary practices. \* Many of the activities and reproducibles are new or revised.

Leverage Leadership 2.0 Dec 23 2021 Cut through the mystique to learn the real drivers of great school leadership. Leverage Leadership 2.0 answers the basic question: what do great school leaders do that separates them from the rest? Rooted in the observation and training of over 20,000 school leaders worldwide, Leverage Leadership 2.0 offers a practical, updated and easier-to-use follow-up to the original, with field-tested techniques and actionable advice.

As educational leaders around the world implement Leverage Leadership ideas, their collective stories have revealed a simple framework by which the seven levers may be implemented: See It, Name It, Do It. This book aligns classic Leverage Leadership principles with this proven framework to streamline implementation and help good leaders become great. Expert discussion and real-life success stories prove that effective leadership is not about innate charisma, charm, or personality—it's about how a leader uses their time. Aimed at all levels of school leadership, this book shows you what to do, and how and when to do it. The companion DVD includes 30 real-world videos that showcase effective leadership happening in our schools right now, and all templates, tools, and other professional development materials have been fully refreshed with a renewed focus on real-world implementation. Informational, inspirational, and highly motivational, this book explores both the separate components of success and what it looks like as a whole. Learn the core principles of effective leadership Understand what success looks like on the ground Practice the seven levers of leadership that allow transformational growth Adopt the tools and techniques that facilitate a schoolwide transformation Educational leaders from a diverse array of schools around the world have found unprecedented success using the key principles detailed in Leverage Leadership, and this book is inspired — and informed — by their stories. Leverage Leadership 2.0 is the practical resource school leaders need to start making real change

happen today.

**Grammar reteaching** Oct 21 2021

**Teaching and Learning Difficulties 2nd ed.** Apr 14 2021 The 2nd edition of Peter Westwood's best-selling *Teaching and Learning Difficulties* addresses recent initiatives around effective teaching, the greater focus on teaching standards, and the increasing importance of teachers' level of expertise and depth of subject knowledge. It presents evidence-based methods for teaching, aligned with the Australian Curriculum, and references the most recent

policies, practices and research literature on effective teaching strategies and approaches. Teaching and Learning Difficulties provides guidance on teaching students that encounter difficulties in a number of learning areas, including science, social studies, history, geography and environmental education. Using a cross-curricular perspective, it explores multiple teacher-directed and student-centred instructional approaches for classroom use, highlighting the strengths, weaknesses and specific aspects of each one. It also examines the impact of classroom interactions that influence learning, suggests strategies for reducing learning failure and enhancing students' progress, and presents a 'big picture' perspective on teaching and learning difficulties. In the Learning Difficulties series, Peter Westwood evaluates, summarises and presents research, strategies and best-practice methodologies for working with students that have learning difficulties in particular subject areas. Rigorous yet accessible, the titles in this series provide teachers with the knowledge, data and direction they need to develop their skills and meet student needs.

**Go Math Grade 6** Apr 02 2020

**The Algebra Teacher's Guide to Reteaching Essential Concepts and Skills** Aug 31 2022 Easy to apply lessons for reteaching difficult algebra concepts Many students have trouble grasping algebra. In this book, bestselling authors Judith, Gary, and Erin Muschla offer help for math teachers who must instruct their students (even those who are struggling) about the complexities of algebra. In simple terms, the authors outline 150 classroom-tested lessons,

focused on those concepts often most difficult to understand, in terms that are designed to help all students unravel the mysteries of algebra. Also included are reproducible worksheets that will assist teachers in reviewing and reinforcing algebra concepts and key skills. Filled with classroom-ready algebra lessons designed for students at all levels. The 150 mini-lessons can be tailored to a whole class, small groups, or individual students who are having trouble. This practical, hands-on resource will help ensure that students really get the algebra they are learning.

Math 2011 Student Edition (Consumable) Grade K Plus Digital 1-Year License Sep 27 2019 Envision a math program that engages your students as it strengthens their understanding of math. enVisionMATH uses problem based interactive learning and visual learning to deepen conceptual understanding. It incorporates bar diagram visual tools to help students be better problem solvers, and it provides data-driven differentiated instruction to ensure success for every student. The best part, however, is that this success is proven by independent, scientific research. Envision more, enVisionMATH!

*Purposeful Writing Assessment* Nov 21 2021 Teachers can improve students' reading comprehension, address writing weaknesses, and provide test-taking practice with multiple-choice assessments for grades 3-8. Fifteen skill sets cover focus and organization, style and composition, and conventions and mechanics.
